This refers to the letter dated October 26, 2026, from the Philippine Institute for Development Studies (PIDS) requesting the Department's support in disseminating its online TVL Graduate Survey to public Senior High School (SHS) graduates from School Years (SYs) 2021–2022 to 2025–2026, including both JDVP-TVL beneficiaries and non-beneficiaries. The survey aims to gather information on graduates' National Certification (NC) assessment, employment, earnings, and further studies to generate evidence for the evaluation of the JDVP-TVL.

In this regard, the request of PIDS is hereby endorsed to the concerned Regional Offices (ROs) and Schools Division Offices (SDOs) for information, coordination, and appropriate action in facilitating the dissemination of the survey to eligible graduates.

The survey will involve the participation of public SHS TVL graduates from SYs 2021–2022 to 2025–2026, including JDVP-TVL beneficiaries and non-beneficiaries. It will cover their training, NC assessment, employment, and further-study experiences to inform the assessment of JDVP-TVL's relevance during the transition to the TechPro Program, learner outcomes, and voucher adequacy and efficiency.

Accordingly, the concerned ROs and SDOs are requested to facilitate the dissemination of the survey invitation to eligible graduates through the following:

- **Regional Offices (ROs):** Relay this Memorandum to the concerned SDOs and coordinate with the designated division focal persons for survey dissemination;

- **Schools Division Offices (SDOs):** Circulate the survey invitation to public SHS heads and TVL coordinators and assist PIDS in connecting with the concerned school focal persons; and

- **Public SHS Heads and TVL Coordinators:** Forward the survey invitation, link, and QR code to all eligible graduates, including JDVP-TVL beneficiaries and non-beneficiaries, through email, class or alumni groups, and other established communication channels.

The online questionnaire takes approximately 12–18 minutes to complete and may be accessed through the following link: **https://www.surveymonkey.com/r/GQVC9B9**.
