INTERSCHOOL MATHEMATICS QUIZ BEE 2026

I. NATURE OF THE CONTEST

The **INTERSCHOOL MATHEMATICS QUIZ BEE** is a contest among various schools organized by the UPV Mathematics Circle.

The contest consists of two categories: **Individual Category** (Elementary, Junior High School, and Senior High School) and **Team Category** (Elementary, Junior High School, and Senior High School).

The contest shall cover the following areas:

Elementary Level

- Arithmetic
- Geometry
- Basic Algebra
- Basic Statistics
- Basic Number Theory
- Measurement

Junior High School Level

- Arithmetic
- Algebra
- Basic Set Theory
- Geometry
- Trigonometry
- Statistics and Combinatorics

Senior High School Level

- Arithmetic
- Algebra
- Geometry
- Logic
- Business Mathematics
- Trigonometry
- Statistics and Combinatorics
- Pre-Calculus
- Basic Calculus

The contest is open to all Elementary, Junior High School, and Senior High School students from all over Region VI (Western Visayas) and the Negros Island Region (NIR). Only **one (1)** student with a coach is allowed to represent each school in the Individual Category. Only **one (1)** team of **three (3)** students and one coach is allowed to represent each school in the Team Category. Participants in the Individual Category are permitted to join in the Team Category, and vice versa, provided that the participant pays for the registration fee for both categories.

- Contestants and their advisers/coaches are expected to be at the venue of the contest before the time allotted for registration. Students and coaches are also required to bring their **official school IDs**, filled out **Parent Consent Form**, and a **Reply Slip** signed by the School Head. **(NOTE:** Contestant(s) will not be allowed to participate in the quiz bee without a reply slip signed by the school head.)
- Calculators will **not** be allowed.
- The contest has three rounds: **Easy**, **Average**, and **Difficult**. Each round has 10 questions. Each question is worth 3, 5, and 7 points, respectively.
- In the contest proper, questions will be read and flashed on screen. Contestants will be provided with a copy of the question, boards, pens, and scratch papers.
- Each question will be read twice. The contestants may, however, start solving **only after the first reading**. After the second reading, an additional 15 seconds for the Easy Round, 30 seconds for the Average Round, and 60 seconds for the Difficult Round will be given for each question in the Easy, Average, and Difficult Rounds, respectively.
- Questions with choices will be read twice. During the first reading, both the question and the choices will be presented. However, during the second reading, only the question will be repeated, and the choices will not be reread.
- Answers must indicate the **proper labeling of units** and must be in the **simplest form**.
- Contestants with the top three accumulated scores in the three rounds will be declared as winners: **First (1st) Place**, **Second (2nd) Place**, and **Third (3rd) Place**, respectively.
- In the case of a tie, in any rank, clincher questions will be asked until the tie is broken. No hard copy of the clincher question will be given, but the contestants may start answering once the quiz master starts to read the question. The first contestant to answer the tie-breaking question correctly will be declared the winner. Only a maximum of two (2) minutes will be given for each clincher question.
- Should there be any complaints, questions, or clarifications, only the contestant or the contestant's coach can raise such before the next question is given. Complaints after this period will not be honored.
- The panel of judges shall act on the complaint, and their decision is final and irrevocable.

III. AWARDS

A **Certificate of Participation** shall be awarded to all participants and advisers. Coaches may also request a **Certificate of Appearance** from any MathO member.

Dr. Ramir B. Uytico EdD, CESO III
Regional Director, DepEd Negros Island Region

Dear Dr. Uytico:

Infinite Greetings!

The University of the Philippines Visayas Mathematics Circle (UPV MathO), a university-wide organization composed of Bachelor of Science in Applied Mathematics students of UPV and students from other programs who share an interest in Mathematics and wish to be part of our community, extends warm salutations to your esteemed institution.

Since 1988, the organization has continued to uphold the beauty of Mathematics by conducting scholastic yet engaging activities both inside and outside the university. We are pleased to announce that the organization will hold its annual Interschool Mathematics Quiz Bee on **February 12-13, 2026**, from **7:00 A.M. to 5:00 PM**, at the **UPV Auditorium, Iloilo City**. This two-day competition aims to showcase the mathematical excellence of students from across Western Visayas at both the elementary and secondary levels.

Through this event, we aim to provide a meaningful venue for students to challenge themselves, apply their mathematical knowledge, and develop camaraderie through healthy competition. Beyond promoting academic excellence, the activity encourages students to think critically and creatively, thereby contributing to their personal and intellectual growth.

In line with this, we respectfully seek your **endorsement** to officially recognize the 2026 Interschool Mathematics Quiz Bee. A letter of endorsement from your office would greatly help encourage schools to participate, as your recognition would lend credibility and further motivate institutions to engage in this academic endeavor. Moreover, this support will strengthen collaboration among participating schools and promote the shared goal of advancing mathematics education in the region.

Furthermore, we humbly request information on the Division Superintendents and School Principals, together with their respective active email addresses or other available contact details, should these be available. This will greatly assist us in ensuring the proper dissemination of official invitations and pertinent information about the Quiz Bee to concerned schools.

Dr. Ramir B. Uytico EdD, CESO III

Regional Director, DepEd Negros Island Region

Dear Dr. Uytico:

Infinite Greetings!

The **University of the Philippines Visayas Mathematics Circle (UPV MathO)**, a university-wide organization composed of Bachelor of Science in Applied Mathematics students of UPV and students from other programs who share an interest in Mathematics and wish to be part of our community, extends warm salutations to your esteemed institution.

Since 1988, the organization has continued to uphold the beauty of Mathematics by conducting scholastic yet engaging activities both inside and outside the university. We are pleased to announce that the organization will hold its annual **Interschool Mathematics Quiz Bee on February 12-13, 2026**, from **7:00 A.M. to 5:00 PM**, at the **UPV Auditorium, Iloilo City**. This two-day competition aims to showcase the mathematical excellence of students from across Western Visayas at both the elementary and secondary levels.

Through this event, we aim to provide a meaningful venue for students to challenge themselves, apply their mathematical knowledge, and develop camaraderie through healthy competition. Beyond promoting academic excellence, the activity encourages students to think critically and creatively, thereby contributing to their personal and intellectual growth.

In line with this, we respectfully seek your **endorsement** to officially recognize the 2026 Interschool Mathematics Quiz Bee. A letter of endorsement from your office would greatly help encourage schools to participate, as your recognition would lend credibility and further motivate institutions to engage in this academic endeavor. Moreover, this support will strengthen collaboration among participating schools and promote the shared goal of advancing mathematics education in the region.

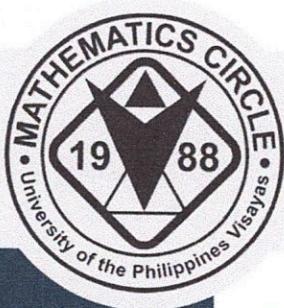

Furthermore, we humbly request information on the Division Superintendents and School Principals, together with their respective active email addresses or other available contact details, should these be available. This will greatly assist us in ensuring the proper dissemination of official invitations and pertinent information about the Quiz Bee to concerned schools.

Quiz Bee Head

We are confident that your office's recognition will contribute greatly to the success of this initiative. Your support would not only affirm our efforts but also inspire young mathematicians to pursue excellence in the field.

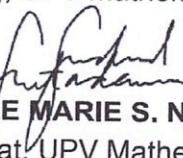

Should you require further information or clarification, please do not hesitate to contact us at upvmathc@gmail.com or upvmatho.quizbee@gmail.com. You may also contact **Ricky Vince P. Cobrado**, Quiz Bee Head, through rpcobrado@up.edu.ph or at 09917587760, or message **Hyke J. Maybay**, UPV MathO Adviser, at hjmaybay@up.edu.ph or 09179827726.

We sincerely thank you for considering our request, and we look forward to your favorable response.

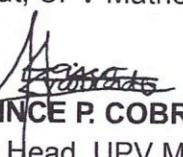

With Proofs and Practicality,

MARIEL B. VALLES

Secretary, UPV Mathematics Circle
