The UPLB Sociology Society is a duly recognized academic organization for Sociology majors at the University of the Philippines Los Baños. Since its founding in 1975, for 50 years, the organization has remained true to its mission of promoting the discipline of sociology both within and outside the university, while fostering camaraderie among sociology majors at UPLB. To date, UPLB Sociology Society has 78 resident members, 104 batches, and around 500 alumni.

It is with great honor to announce that in 2026, we will be hosting **4TH HUSAY NG SOKSAY: A National Inter-High School Social Science Online Competition**. Established in 2022, the event has consistently expanded its reach, engaging more than 100 schools nationwide, with 74 participating schools in 2024. Guided by the theme “**Mga Kwentong Buhay: Hamunin ang mga Naratibo, Balangkasin ang Katotohanan**,” the competition seeks to challenge the participants to critically examine societal narratives, recognize biases, and actively reshape knowledge that would reflect justice and equity in the society. 4th Husay ng SokSay will feature the following competition categories: (1) **Essay Writing**, (2) **Mobile Phone Photography**, (3) **Speech Competition**, and (4) **Short Film-making**, each thoughtfully designed to highlight the significance and enduring contributions of the social sciences.

As we prepare for the upcoming event, we respectfully request the recommendation and endorsement of your esteemed office in promoting the event. Your support will greatly enhance the credibility of this initiative and assist in the proper dissemination of information to relevant schools and stakeholders.
