Regional Director

The Department of Education, Negros Island Region (NIR)

Dear **RD Uytico**:

Greetings from the National Book Development Board (NBDB)!

Thank you for joining us in the recent Philippine Book Festival last March 2026, which brought together publishers, creatives, educators, and readers from across the country. As such, we would like to extend an invitation to a similar opportunity closer to your region.

To reach more stakeholders, the NBDB initiated the Philippine Book Festival in the Regions project, through which we participate in existing book fairs via a collective stand and provide support to Publishers and Self-Published Authors in the host region. Our next implementation will be at the **6200 Book Fair, organized by Arts and Design Collective Dumaguete (ADCD), from 17 to 19 July 2026 at the Filinvest Mall in Dumaguete City.**

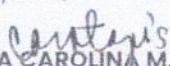

The book fair will feature publishers offering a wide range of titles, including children's literature, fiction, non-fiction, educational materials, and general reference books that will complement your Library Hubs' book collections. We hope that librarians, designated scopers, and members of the Bids and Awards Committee (BAC) from your office will be able to attend to evaluate and acquire books, and to engage directly with publishers.

To facilitate participation, we respectfully request that attendance at the book fair be considered an official business.

These activities will surely empower DepEd regional offices to make decisions at the grassroots level, thereby providing greater access to books and reading opportunities for children and students.

Thank you very much.

Truly yours,

MARIA CAROLINA M. TAPIA
Director
