VALUES RESTORATION PROGRAM (VRP) ANNUAL CAPACITY BUILDING

TRAINING DESIGN

Course Description

The VRP Annual Capacity Building is a values-based learning event designed to empower Values Restoration Officers (VROs), values advocates, and values champions, public servants and leaders committed to principled leadership, ethical governance, and the promotion of public trust. Anchored on the continuing implementation of the Values Restoration Program (VRP) in line with CSC Announcement No. 40, s. 2017, this annual learning event seeks to deepen participants' understanding of their role in building a values-driven public service and to equip them with practical strategies for translating values into meaningful action within their respective agencies.

Objectives

By the end of this learning event, participants will be able to:

- a) Recall the fundamental principles of the Values Restoration Program (VRP) and its continuing relevance in public service.
- b) Reflect on contemporary issues affecting integrity, accountability, and public trust.
- c) Identify practical and collaborative ways to sustain values-based initiatives within their agencies and communities.

Content

The training is designed to guide participants through a meaningful and reflective learning journey, beginning with foundational values principles and moving toward practical application and long-term commitment. The sessions are arranged to build on one another and support a cohesive learning experience.

Keynote Message: "Values First, Public Trust Always"

Public Trust: From Constitutional Duty to Daily Practice

This session revisits the constitutional principle that public office is a public trust and translates it into the daily responsibilities of public servants.

The VRO Identity: Safeguarding Stewardship Across Public Service

This session explores the identity and role of the VROs and values champions as stewards of values, trust, and ethical service across government agencies. It will highlight how they help sustain a culture of integrity through daily example, thoughtful coordination, and consistent reinforcement of public service values.

Public Trust and the VRO Mission

This interactive session invites participants to connect the ideals of public trust with the everyday mission of the Values Restoration Officer and values champions.

Values First: The Risk of Putting Values Last

This session examines what happens when values are not given their proper place in public service, especially in the areas of accountability, transparency, and public trust. Through reflection on current governance challenges and everyday decision-making, participants will consider how even small compromises in values can affect institutions, relationships, and service delivery.

Connecting the Dots: How Transparency Drives Public Trust

Analyze common ethical challenges in government transactions, service delays, and infrastructure management. Participants will dissect real-world scenarios to spot where standard processes break down.

Values Champs in the Trenches – Practical Strategies for Polarized Times

A moderated discussion featuring seasoned values champions. Panelists will share their real experiences, successes, and setbacks in advocating values restoration.

Values Checkpoint: A Reflective Session for Agency Renewal

This reflective session provides a space for participants to pause, assess, and thoughtfully examine the current values climate of their respective agencies.

From Strength to Strength: The Enduring Values Champions

This final session invites participants to reflect on the journey of becoming and remaining values champions in public service. It will focus on sustaining commitment, deepening purpose, and carrying forward the mission of values restoration with consistency and resilience.

Venue & Set-Up

The entire capacity-building event will be conducted 100% virtually via Zoom. This digital setup ensures seamless, nationwide accessibility for Values Restoration Officers (VROs) and champions from various regions, without the need for travel.

A private Facebook group page will serve as the official digital ecosystem for the event. This dedicated platform will function as the central hub for:

- Real-time announcements and program updates
- Downloadable session materials
- On-demand access to video recordings of all sessions for 30 days
- Peer networking and cross-agency collaboration
- **Low-Bandwidth Streaming:** A simultaneous Facebook Live broadcast will run inside this private group to serve as an instant backup for participants experiencing fluctuating internet connectivity or technical difficulties with the main Zoom platform.

Training Fee, Inclusions, Payment Details

Early Bird: ₱4,500 (by September 30, 2026); Regular: ₱5,000. For preparatory purposes, we would appreciate receiving the names of all registrants before the event. All registration options include 20 hours of leadership training, summit materials, and a printed certificate of completion.
