The annual festival celebrates the significant contributions of our organic farmers, advocates, producers, entrepreneurs, government partners, and other stakeholders in advancing organic agriculture in Negros Island. It serves as a venue to showcase local organic products, recognize outstanding achievements, strengthen partnerships, and promote sustainable and inclusive agricultural development.

In line with this, we are pleased to invite your agency to join us in this celebration and participate in the Fair & Exhibits by showcasing your local organic products, innovative practices, and community-driven efforts in sustainable agriculture.

Further, we would like to request you or your representative to attend the **Exhibitors' Orientation on October 8, 2026, at 9:00 AM** at the **Social Hall, Provincial Capitol, Building, Bacolod City**. The following agenda will be discussed:
