Dear RD Ramir,

We hope that this letter finds you well.

In line with our ongoing efforts to have more schools implement Khan Academy, we got a partner who is interested to help schools in Bacolod City.

In order for us to have a full grasp of the needs of the schools in Bacolod City and properly recommend to our partner the schools that need their help most, we would like to request that schools in Bacolod City to kindly fill up this Google sheet: www.bit.ly/bacolodsurvey.

We hope that all schools be able to fill this up on or before November 7.

Thank you very much for your continued leadership and support in advancing digital learning initiatives for our learners and educators in the region.

All the Best,

BERNADETH C. DARAN
