**SUBJECT : SUMMIT OF THE PILOT IMPLEMENTERS OF THE
REVISED K TO 10 CURRICULUM - PHASE 3**

DATE : December 5, 2025

The Department of Education (DepEd) is currently implementing the third phase of the pilot implementation of the Revised K to 10 Curriculum. This initiative aims to gather relevant data that will serve as the basis for the preparation and refinement of the national rollout.

In relation to this, the DepEd, through the Bureau of Learning Delivery – Teaching and Learning Division (BLD–TLD), will conduct the **Summit of Pilot Implementers of the Revised K to 10 Curriculum – Phase 3** on **January 14-16, 2026**, within National Capital Region (NCR) with the theme **“Transforming Education Together: Strengthening Roots and Expanding Futures.”**

This activity aims to gather valuable data and insights to identify gaps and challenges encountered during the third phase of pilot implementation of the Revised K to 10 Curriculum. The findings will inform the refinement of strategies and interventions to ensure that the revised curriculum will effectively deliver during its nationwide rollout. Moreover, the summit will serve as a venue for meaningful dialogue and collaboration among stakeholders, as well as a collective analysis of the emerging results from the pilot implementation.

In this regard, this Office cordially invites participants from your region to attend and witness the sharing of experiences by the pilot implementers. The insights, best practices, and challenges presented may serve as valuable references for your region in preparing for the national implementation of the revised curriculum.

Registered participants are requested to confirm their attendance on or before January 3, 2026. Access the link or scan the QR code below for their confirmation.
