Regional Director
Department of Education- Negros Island Region

Dear **Dir. Uytico**,

In preparation for the upcoming implementation of the **School-Based Immunization (SBI) Program**, the DOH-NIR CHD will conduct a **Capacity-Building Workshop on School-Based Immunization** for the concerned Schools Division Offices (SDOs) of the Negros Island Region.

The activity aims to strengthen the capacity of DepEd and health personnel in the coordinated implementation of SBI, particularly on microplanning, school mobilization, demand generation and risk communication, coordination with parents and Parent-Teacher Associations (PTAs), immunization implementation, monitoring, and reporting.

The workshops are scheduled as follows:

Date	Area	Number of SDO
October 7, 2026	Royal Suite, Dumaguete City, Negros Oriental	10 SDO
October 9, 2026	Natures Village Talisay City, Negros Occidental	15 SDO
October 16, 2026	CLMMRH Bacolod City	5 SDO & School Head

In this regard, we respectfully request your support in facilitating and encouraging the participation of the concerned SDOs and their designated personnel in the said capacity-building workshops. The active participation of the SDOs is essential to ensure that the SBI implementation is properly coordinated from the regional, division, school, and community levels. The workshop will also provide an opportunity to align roles and responsibilities, identify implementation gaps, and establish practical strategies to strengthen school and parent engagement and demand generation for SBI.

For clarification and queries, your authorized representative may contact **Ms. Mary Grace N. Sayson**, Health Program Officer II, at **092669611412** or via email hpu@nir.doh.gov.ph cc: nirchd@nir.doh.gov.ph.

Sincerely,

HAZEL MIKKA M. HAO, MD-MBA, MSc, CESO III
Director IV
Negros Island Region Center for Health Development
