I. BACKGROUND

The Department of Education (DepEd) recognizes the vital role of parents and education stakeholders in supporting the delivery of quality, inclusive, and learner-centered basic education. Through the Parent-Teacher Association (PTA), parents and educators are provided an avenue for meaningful participation, collaboration, and engagement in matters concerning learners, schools, and communities. In line with the Department's continuing efforts to strengthen stakeholder engagement and promote safe and supportive learning environments, the **"2026 Parent-Teacher Association (PTA) Forum"** shall provide a venue for dialogue, consultation, policy updates, and sharing of good practices among PTA leaders and DepEd representatives, with focus on PTA roles and responsibilities, learner welfare and protection, safe school initiatives, parent participation, and school-community collaboration.

Complementing the PTA Forum, the Department shall conduct on the succeeding day the **"Orientation of Regional and Division Partnership Focal Persons on Partnership Updates and Alignments"** to strengthen the implementation and management of external partnerships by ensuring a common understanding of current policies, processes, priorities, and directions. The orientation shall also provide a venue for sharing updates, good practices, and implementation experiences, clarifying roles and responsibilities, and addressing emerging concerns in facilitating, documenting, monitoring, and sustaining partnerships at the Regional and Schools Division Offices.
