SUBJECT : MULTIGRADE LEARNING ASSESSMENT (DEVELOPMENT WORKSHOP)

DATE : September 29, 2026

The Bureau of Learning Delivery – Teaching and Learning Division (BLD-TLD) will conduct the Multigrade Learning Assessment Workshop (Development Workshop) on October 22-24, 2026 (venue to be announced).

The activity is designed to address the need for appropriate and responsive assessment tools tailored to multigrade teaching contexts. Traditional assessment methods often fall short in capturing the progress of varied learners across multiple grade levels. This workshop focuses on the development of assessment materials that are aligned with DepEd Order No. 15 s. 2026, titled “*Revised Guidelines on Classroom Assessment, Grading System, and Awards and Recognition*.” It aims to develop assessment activities and strategies that guide both instruction and learner development. Ultimately, it strengthens the assessment component of multigrade teaching, ensuring that learning outcomes are effectively monitored and supported with appropriate tools.

Attached as **Annex 1** to this Memorandum is the expected number of participants by region. The participants are the Multigrade instructional leaders and supervisors across the regions. The participants shall accomplish the registration forms through this link on or before **October 20, 2026**:

Should the downloaded funds be insufficient to cover the expenses, any remaining balance shall be supplemented by local funds.

Compensatory Time-Off (CTO) shall be granted to the participants in accordance with CSC and DBM Joint Circular No. 2, s. 2004.
