2026 NATIONAL LITERACY AWARDS GUIDELINES

I. BACKGROUND

Pursuant to Republic Act (RA) 7165, titled "An Act Creating the Literacy Coordinating Council, Defining its Powers and Functions, Appropriating Funds Therefor, and for Other Purposes", as amended by RA 10122 or an "An Act Strengthening the Literacy Coordinating Council by Amending RA No. 7165", the Literacy Coordinating Council (LCC) is mandated to provide policy and program directions for all literacy endeavors in the country, recommend strategies for the promotion of life skills and educations towards the universalization of literacy, formulate policies to maximize public and private sector support and participation in literacy programs, projects, and activities, and strengthen support structures for literacy at the regional, provincial, city, municipal, and barangay levels, among other functions.

In line with this mandate, the Department of Education (DepEd), through the LCC, conducts the National Literacy Awards (NLA) biennially to recognize Local Government Units (LGUs), Non-Government Organizations (NGOs), and Higher Education Institutions (HEIs) for their outstanding contributions to literacy development. The NLA also recognizes exemplary literacy programs that demonstrate innovation, inclusivity, and measurable impact, highlighting literacy champions who have dedicated their efforts serving nonliterate individuals and communities. Since its launch in 1994, the NLA has conferred over 380 awards, reinforcing the role of stakeholders in promoting functional literacy and inclusive education. Held every two years in conjunction with National Literacy Week and International Literacy Day, the NLA also serves as a platform for sharing best practices, fostering partnerships, and encouraging broad participation in literacy initiatives for sustainable development and lifelong learning.

The NLA has the following objectives:

1. To contribute to the national goal of universalizing literacy in the Philippines by fostering public awareness, engagement, and appreciation of relevant literacy programs, projects, and initiatives;
2. To sustain, expand, and institutionalize literacy efforts by recognizing and motivating individuals, institutions, and LGUs for their dedication, commitment, and contributions to eradicating illiteracy in their communities; and
3. To promote the development, enhancement, and replication of innovative, creative, and culturally responsive school-based or community-based literacy programs.

II. OBJECTIVES

The issuance of these Guidelines is intended to clearly establish the objectives of the NLA, provide unified guidance on the implementation of the 2026 NLA, and ensure a consistent understanding of its purposes, objectives, aims, and intended outcomes across all concerned offices and stakeholders, thereby strengthening the effective, transparent, and merit-based recognition of literacy programs nationwide.

III. SCOPE

All DepEd officials and personnel at the Central Office, Regional Offices, and Schools Division Offices, as well as all other concerned offices and stakeholders involved in the implementation, coordination, and participation in the 2026 NLA, including LGUs, HEIs, and NGOs, are covered by the issuance.

IV. PROCEDURES

The NLA adopts a broad understanding of literacy that extends beyond reading and writing competencies. For purposes of these Guidelines, “literacy” includes basic, functional, and numeracy literacy, as well as financial, digital, problem-solving, critical thinking, and other lifelong learning competencies that enable meaningful participation in society.

While each category prescribes specific eligibility requirements and evaluation criteria, the screening, evaluation, and on-site validation processes shall consider literacy outcomes and program implementation across the literacy competencies identified in the LCC’s National Literacy Framework.

1. Award Categories

1.1 Gawad LIYAB

Gawad LIYAB, wherein “LIYAB” is an acronym for the LCC program pillars — *Likha, Ilaw, Yaman, Aruga*, and *Buklod*, is the premier category of the NLA that recognizes outstanding literacy programs, projects, and accomplishments of LGUs, NGOs, and HEIs. It aims to honor organizations whose initiatives effectively address literacy gaps, particularly among marginalized and/or underserved populations, which refer to groups with limited access to literacy and learning opportunities due to socioeconomic, geographic, cultural, or other structural barriers, and demonstrate innovation, commitment, and sustained impact in the promotion of literacy and lifelong learning.

Gawad LIYAB has the following award categories:

1.1.1 Outstanding LGU Category

The Outstanding LGU Category recognizes cities and municipalities that demonstrate effective leadership and innovation in developing and implementing inclusive literacy policies, programs, and initiatives. It honors LGUs that integrate literacy into local governance, mobilize community participation, and address the literacy needs of diverse sectors, particularly disadvantaged and marginalized groups.

Outstanding LGUs are classified into the following sub-categories:

- a. Highly Urbanized City / Independent Component City
- b. Component City
- c. 1st to 3rd Class Municipality
- d. 4th to 5th Class Municipality

1.1.2 Outstanding NGO Category

The Outstanding NGO category recognizes NGOs that implement effective literacy programs with significant impact at the community or grassroots level. It honors initiatives that demonstrate innovation, sustainability, inclusivity, and measurable results in addressing learners' literacy needs, particularly those in marginalized or disadvantaged areas. This award highlights programs that create meaningful improvements in learners and communities, and promote the replication of effective literacy practices.

1.1.3 Outstanding HEI Category

The Outstanding HEI category recognizes public or private HEIs that advance literacy through the National Service Training Program (NSTP) – Literacy Training Service (LTS), community extension, and other school-based literacy initiatives. It honors institutions that demonstrate innovation, sustainability, inclusivity, and measurable impact in addressing literacy needs, particularly among underserved and disadvantaged communities. This award recognizes HEIs whose programs produce significant outcomes for learners and partner communities.

1.2 Hall of Fame Award

The Hall of Fame (HOF) Award shall be conferred upon LGUs, NGOs, or HEIs that have secured First Place in the NLA three (3) times in the same category. This distinction recognizes their sustained excellence, leadership, and outstanding contributions in advancing literacy initiatives. It also highlights

the long-term impact of their programs in strengthening school- or community-based literacy efforts, promoting innovation, and serving as models of best practice for other institutions. To encourage broader participation and provide opportunities for emerging champions, HOF awardees shall no longer be eligible to compete in the regular search for Outstanding LGU, NGO, or HEI.
