REGIONAL MEMORANDUM
No. 1255 s. 2026

**RECIPIENT SCHOOLS OF THE NEGROS NEX AND KHAN ACADEMY'S
ADOPT-A-SCHOOL INITIATIVE**

To: Schools Division Superintendents of Bacolod City, Sagay City, Talisay City
All Others Concerned

1. The following schools are the recipients of the 120 tablets donated under the Negros NEX and Khan Academy's Adopt-A-School Initiative:

Name of School	Schools Division Office (SDO)	No. of Units
1. Generoso Villanueva Sr. National High School	Bacolod City	41
2. Hautea Integrated School	Sagay City	40
3. Don Simplicio Lizares Elementary School	Talisay City	39

2. In this regard, the SDO Supply Officers shall claim the donated tablets from the Supply Unit of this Office on November 3, 2026 (Tuesday) and coordinate with Mr. Adorni Sanchez, Administrative Officer V, for the proper documentation and processing of the release. They shall present the authorization letter issued by Khan Academy Philippines and a valid identification card (ID) for identification and verification purposes.

3. Travel and other incidental expenses incurred in connection with the claiming and transportation of the donated tablets shall be charged against local funds, subject to the usual accounting and auditing rules and regulations.

4. Immediate dissemination of and compliance with this Memorandum are desired.

Dr. Ramir Barberan Uytico

CESO III, Regional Director

Dear RD Uytico,

Warm greetings!

I would like to share a brief update on the Negros Nex under Khan Academy's Adopt-A-School initiative supporting the following schools:

- Hautea Integrated School (40 tablets)
- Generoso Villanueva Sr. National High School (41 tablets)
- Don Simplicio Lizares Elementary School (39 tablets)

The tablets have been delivered to the DepEd Regional Office. We would appreciate your guidance on the appropriate claiming and turnover arrangements for the participating schools, in accordance with the Regional Office's protocols. Each school head will provide an authorization letter for the designated representative claiming the allocated units. May we kindly confirm this requirement and ask if there are any additional documents or procedures the schools should observe? This will help us communicate the requirements clearly and ensure a smooth and orderly turnover.

In parallel, we are coordinating with the schools to complete their PLDT requirements and Wi-Fi activation, which are necessary before we can proceed with the online setup of the tablets for participating teachers and students.

For the next milestone, we are targeting **November 23, 26 and 27, 2026**, preferably in the afternoon, based on the availability of the donor representative.

Given the distance between the three schools, we must align with the school heads and relevant offices to identify the most practical arrangements for each location.

We hope to establish the gadget-claiming arrangements first so the schools can prepare accordingly, while we work toward confirming the launch schedule with the donor representative. We would also welcome any Regional Office guidance on the appropriate coordination process and any considerations we should factor into the preparations.

I have also copied Ms. Bernie, our Strategic Partnerships Director and relevant DepEd offices to keep everyone aligned. Thank you very much for your time, guidance, and continued support in bringing this initiative to the participating schools and learners. We look forward to working with you to ensure a smooth and successful rollout.

Warm regards,

Gab Gabriel
