MEMORANDUM
No. 69 Series 2026

TO: **THE VICE CHAIRPERSONS AND MEMBERS**
THE CHAIRPERSONS, P/C/M/BDRRMCs

SUBJECT: **MAINTAINING THE RED ALERT STATUS IN THE RDRRMC NIR EOC ICOW ALL SAINTS' DAY AND ALL SOUL'S DAY (UNDAS)**

Every year, Filipinos observe All Saints' Day on November 1 and All Souls' Day on November 2 to honor and remember their deceased loved ones. These annual traditions reflect the deeply rooted Filipino values of family, faith, and remembrance, as many people travel to their respective provinces to visit cemeteries, offer prayers, and pay tribute to those who have passed away. Due to the large number of people gathering in cemeteries and surrounding areas during these observances, the commemoration presents a significant consideration for High-Density Population Gathering (HDPG) management and public safety.

Furthermore, due to the ongoing unrest of Kanlaon Volcano, which remains under Alert Level 2 (Increased Unrest), the RDRRMC Emergency Operations Center of the Negros Island Region shall maintain **RED ALERT STATUS** from **8:00 AM on October 30 to 5:00 PM on November 4, 2026**, to ensure preparedness and timely response during the HDPG.

All concerned RDRRMC members and Local DRRMCs are advised to take precautionary measures and monitor the situation in their AORs. Kindly send your respective **preparedness measures, situation reports, and actions taken** via email at nir@ocd.gov.ph. For further coordination, please do not hesitate to reach OCD NIR hotline (0954) 357 8896.

For guidance and compliance.
