Dear **Director Uytico**:

Warm greetings from the National Educators Academy of the Philippines (NEAP).

As part of the Department's commitment to curriculum reform and improving learning outcomes, the Revised K to 10 Curriculum will be in its third and final phase of rollout in the school year 2026-2027, covering Grades 6, 9, and 10.

To ensure effective delivery of the revised curriculum, teachers must develop a deep and consistent understanding of its content and intent. This includes strengthening their core competencies in **content knowledge and pedagogy, curriculum and planning, and assessment.**

In support of this goal, NEAP, in collaboration with selected field educators and leaders, is developing a comprehensive training resource package to build essential competencies and equip educators with practical strategies and tools for effective curriculum implementation.

In this regard, the Academy respectfully seeks your approval of the participation of the following trainer-developers in the remaining development workshops, as communicated in **DM-OULS-2025-172** titled "Design and Development of the Revised Grades 6, 9, and 10 Curriculum Training Resource Package."
