Organizational Development*

SUBJECT : **ARAL TUTOR TEACHING LOAD SIMULATOR AND MONITORING
TOOL FOR S.Y. 2025-2026**

DATE : September 4, 2025

In support of the implementation of the **Academic Recovery and Accessible Learning (ARAL) Program for School Year 2025-2026**, the Bureau of Human and Organizational Development – School Effectiveness Division (BHROD-SED) is releasing the **ARAL Tutor Teaching Load Simulator and Monitoring Tool**. This tool is designed to assist School Heads in managing tutor-related data, including teaching load assignments, schedules, and training status.

The ARAL Simulator tool includes the following functions:

- Determine the number of DepEd teachers required for the ARAL Program based on learner enrollment;
- Identify the need to engage additional ARAL Program Tutors;
- Compute the total teaching load of tutors;
- Provide a basis for requesting external ARAL Tutors; and
- Maintain a database of profiles of all engaged ARAL Tutors.

The Simulator Tool and its accompanying user guide can be accessed at bit.ly/ARALSimulator2025.

Further, to ensure timely and consistent program monitoring, the ARAL Simulator Tool shall be **accomplished by the School Head on a quarterly basis**. This will facilitate proper monitoring of teaching loads and the provision of support and supervision throughout program implementation. Accordingly, all public schools with ARAL learners are directed to submit the data generated from the Simulator Tool, together with the accomplished ARAL Tutor Teaching Load Simulator and

Monitoring Tool. The Data Submission Form may be accessed via bit.ly/ARALSimulator-Submit.

To ensure smooth facilitation, effective data management, and to further guide Schools, a **General Process Flow for ARAL Tutor Data Gathering and Report Generation for S.Y. 2025-2026** is likewise issued (*see Annex A*), outlining the detailed procedures and timeline for the collection, analysis, and reporting of data.

Should there be further concerns/questions, please coordinate with the BHROD-SED via email at bhrod.sed@deped.gov.ph or through landline number: (02) 8633-5397.

For your appropriate action.
