7. OFFICIAL DICTIONARY AND WORD SOURCE

- The **Merriam-Webster Unabridged Dictionary**, available at <http://unabridged.merriam-webster.com>, is the official dictionary and word source for the SM Super Spelling Bee. - The word list will be accessible only to event organizers and participating malls during the competition, including both the eliminations and grand finals. The SM Super Spelling Bee team will provide a link to the word pool exactly at 2:00 pm on the day of the contest.

8. CONTEST PROCEDURE AND MECHANICS

8.1. ELIMINATION STAGE: PHASE 1 – WRITTEN SPELLING TEST

Objective: To assess the contestants' ability to spell words correctly. The top **10 contestants** from this phase will move on to the **Oral Spelling Test**.

- Contestant Grouping & Preparation:**
 - Contestants will be divided into **batches** of up to **20 participants** each, depending on the total number of registrations.
 - Each contestant will receive a **spelling sheet** and a **marker**.
- Word Pronunciation & Time Limit:** The pronouncer will announce the word, pronouncing it twice, followed by the definition and usage in a sentence.
- Writing Time:** Contestants will be given **10 seconds** to write the word on their sheet.
- Countdown Timer:** A countdown timer will be displayed on a screen for all contestants to see, indicating the remaining time.
- Signal to Start:** Contestants must wait for the pronouncer's signal (e.g., "You may now begin spelling") before starting to write the word. This ensures fairness and allows all participants to start at the same time.
- Disqualification Rule:**
 - Contestants are strictly prohibited from spelling the word before the countdown timer begins or before the emcee gives the official signal (e.g., "You may begin spelling").
 - Contestants must be able to write the correct spelling of the word within 10 seconds.
 - Violation of this rule will result in immediate disqualification, regardless of whether the answer is correct or not.
 - The timer will be clearly displayed on a screen, and the pronouncer will provide the clear verbal cue to begin.
- Submission of Writing Sheets:** Once the contestant has finished writing, they will submit their sheet to a staff member.
- Accuracy Check & Immediate Elimination:** A panel of judges will review each contestant's spelling sheet.
- Elimination:** Contestants who misspell the word will be eliminated from Phase 1.
- Advancement:** Only contestants who spell the word correctly will advance to the next round.
- Next Round:** After all batches complete their first round, only those who spelled their words correctly will move on to the next round.
- Re-grouping:**

- Contestants who correctly spelled their word in the first round will be **re-organized** into new groups with other correct spellers from their respective batches.
- New words will be provided to these new groups in the subsequent round.
- The same rules will apply in the subsequent rounds.

Example:

- **First Round (Batch 1):** Out of the 20 contestants, 8 contestants spelled the word correctly. These 8 will be joined by other contestants who spelled their words correctly in their respective batches (Batch 2, Batch 3, etc.).
- These contestants will now form a new group for the **next round** of words.
- **Repeat:** This process will continue until we have **10 contestants** remaining who have correctly spelled the word in each round.

m. Multiple Rounds (If Necessary):

- If fewer than 10 contestants spell correctly in the first round, additional rounds will take place, introducing new words to give more contestants the chance to advance.
- As each round progresses, the group will shrink as more contestants are eliminated due to incorrect spelling. Contestants who continue to spell correctly will advance to the next round until we have exactly 10 contestants.
- In each new round, the remaining contestants will be grouped together based on their previous correct spelling performance.

n. Final Grouping & Advancement to Oral Spelling Phase:

After the final round, only **10 contestants** who have correctly spelled the word in the most rounds will proceed to **Phase 2: Oral Spelling Test**.

8.2. ELIMINATION STAGE: PHASE 2 – ORAL SPELLING TEST

- **Countdown Timer:** A countdown timer will be displayed, giving the contestant **20 seconds** to spell the word aloud.
- Contestants must **pronounce the word before spelling it, spell the word aloud,** and then **pronounce the word again** after spelling it.

- Violation of this rule will result in immediate disqualification, **regardless of whether the answer is correct or not.**
- The timer will be clearly displayed on a screen, and the pronouncer will provide the clear verbal cue to begin.

e. Elimination: Contestants who misspell the word or fail to complete the spelling within the time limit will be immediately eliminated from Phase 2.
