Dear **Dr. Uytico**,

Greetings of peace and good health!

Interventions are developed from planning based on available data and information gathered by designated health units responsible in monitoring and evaluating the health status of its catchment areas. The Provincial Health Office has recognized and identified critical gaps in streamlining its regulation of various health programs and its data management in schools province-wide wherein the enrolled pupils and students are also part of the general community. Inclusivity, integration, and strengthened collaboration between school health nurses and public health nurses from local government units must be clearly established.

In this regard, the Provincial Health Office is convening a “**Health Programs Consultative and Coordinative Workshop with DepEd Nurses, LGU Public Health Nurses, and PHO Program Managers**” at the **Bethel Guest House, Dumaguete City, Negros Oriental on October 07-08, 2025**. We will be humbly requesting the attendance of **(1) One SDO Superintendent and all DepEd School Health Nurses** from each of the various schools division offices in the Province of Negros Oriental to participate in the activity. Furthermore, we would like to request for the masterlist of DepEd School Health Nurses from SDO Negros Oriental, SDO Bayawan City, SDO Dumaguete City, SDO Tanjay City, SDO Bais City, SDO Guihulngan City, and SDO Canlaon City for appropriate identification of participants to be invited. Through this coordinative and consultative workshop, there would be an avenue and opportunity for resolution of disputes and better coordination among stakeholders.

For any queries or clarifications, please do not hesitate to contact the Provincial Health Office through **Ms. Maria Joan F. Diada**, *Program Coordinator for Healthy Learning Institution*, at **09175067820**, or email us at **phonegor.official@gmail.com**.

I am hoping for your kind consideration and positive response to this matter.
Thank you.

Respectfully,

LILAND ZOILA B. ESTACION, RN MD
Provincial Health Officer II
Provincial Health Office- Negros Oriental
