1. The Department of Education issues this memorandum to establish guidelines on the utilization of the downloaded funds for the printing and delivery of reading materials for Key Stage 1 (Kindergarten to Grade 3).
2. For learners in Key Stage 1, access to diverse and engaging reading materials is the cornerstone of cognitive and linguistic development. 3. The total budget amounting to one hundred ninety-five million six hundred three thousand four hundred fifty pesos (**PhP195,603,450.00**) from FY 2025 (R.A. 6. The delivery of reading materials shall be at the SDOs and shall be completed by the beginning of School Year 2026-2027. Additionally, the SDOs shall facilitate distribution of the reading materials to all Key Stage 1 (Kindergarten to Grade 3) learners with two (2) titles per learner.
7. Small Value Procurement shall apply for an Approved Budget for the Contract amounting to two million pesos (PhP2,000,000.00) and below.
8. The SDOs shall serve as the primary implementing unit responsible for the procurement and delivery of the reading materials. This includes ensuring that all goods and services are procured in accordance with applicable government rules and regulations. The SDOs shall undertake the necessary procurement in the shortest possible time in accordance with the applicable provisions of Republic Act (RA) No. 9184 or the Government Procurement Reform Act and its Implementing Rules and Regulations (IRR) or RA No. 12009 or the New Government Procurement Act and its IRR.
9. The Regional Offices (ROs) shall exercise oversight and provide technical assistance to the SDOs throughout the implementation process. Where practicable, the ROs may also facilitate the consolidation or coordination of procurement activities to achieve economies of scale, promote standardization, and ensure timely delivery of operational requirements across divisions.
10. The technical specifications attached in this Memorandum as "Annex B" shall be strictly adhered to.
11. Any excess amount or resulting balance may be utilized for expenses related to the implementation of the program/activity/project (P/A/P) covered by this issuance, subject to existing budgeting, accounting, and procurement laws, rules, and regulations. For this purpose, "related expenses" shall refer to those that contribute to a common particular outcome aligned with the objective of this issuance, specifically involving operational requirements or support services

essential to program delivery. These may include the procurement of semi-expendable items, i.e., goods with a unit cost below the capitalization threshold, conduct of workshops and capacity-building activities, travel expenses, and other day-to-day operational needs directly supporting the program implementation.

12. To support accountability, performance monitoring, and evidence-based planning, SDOs shall submit regular utilization and operational reports to the Central Office through the Bureau of Learning Resources (BLR). These reports shall inform central-level monitoring, guide decisions on scaling and replication, and serve as a basis for future budget programming and resource allocation.
13. Utilization of funds herein shall be in accordance with the existing budgeting, accounting, auditing, and procurement laws, rules, and regulations.
14. The funds herein shall be valid in accordance with the applicable National Budget Circular for the Fiscal Year. The obligation and disbursement of these funds must be in accordance with the Cash-Based Budgeting System.
15. The BLR ensures that ROs and SDOs are adequately capacitated to undertake the acquisition, printing, and delivery of the reading materials. The BLR shall provide technical assistance in the preparation of procurement documents, in accordance with RA No. 12009 and its IRR.
16. The Statement of Expenditures shall be submitted to the BLR by accomplishing the following link: <https://tinyurl.com/Proc-Monitoring> at the **end of every month** until the said fund has been fully utilized.
