Sir:

Warm greetings of respect!

The Schools Division Office of Kidapawan City express our interest in conducting a benchmarking visit to the rural farm schools within your region. As part of our commitment to enhancing agricultural education and promoting sustainable farming practices, we aim to learn from the innovative approaches and best practices implemented by your schools in the region. Specifically, we hope to gain insights into:

- curriculum integration;
- community and stakeholder engagement strategies;
- farm school operations, facilities, and land use;
- Student development and post-graduation pathways.

We would be grateful for your guidance in identifying suitable schools for this visit and coordinating with their respective administrators. Our proposed schedule is **November 11-14, 2025**, but we are flexible and willing to adjust based on your availability.

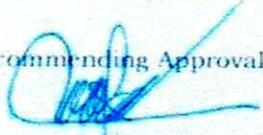

Attached herewith are the list of participating personnel and the matrix for this benchmarking activity.

We are hopeful for your kind support and look forward to your favorable response.
