SUBJECT : **ONLINE MEETING WITH REGIONAL OFFICES AND SCHOOLS DIVISION OFFICES ON THE IMPLEMENTATION STATUS OF TEACHER WORKLOAD POLICIES IN SUPPORT OF SY 2026-2027 TEACHER LOADING**

DATE : May 15, 2026

In line with the Department's commitment to uphold the welfare of public school teachers, the Department of Education (DepEd) issued the following policies:

1. DepEd Order No. 002, s. 2024, titled "Immediate Removal of Administrative Tasks of Public School Teachers";
2. DepEd Order No. 005, s. 2024, titled "Rationalization of Teachers' Workload in Public Schools and Payment of Teaching Overload"; and
3. DepEd Memorandum No. 053, s. 2024, titled "Implementation Guidelines for DepEd Order No. 005, s. 2024."

These policies aim to cultivate a more conducive work environment for teachers by safeguarding their work hours and allowing them to focus on their core function of teaching.

After two full school years of implementation (SY 2024–2025 and SY 2025–2026), the Department conducted a Consultation Workshop in November 2025 with select School Heads from various regions to assess the implementation status of teacher workload policies. The workshop surfaced **initial gains, operational challenges, and various notable implementation concerns**. The results likewise surfaced the **need for clearer implementation strategies and support mechanisms across governance levels** to help schools effectively operationalize the policies within varying school contexts. The results provided valuable insights for refining implementation strategies and strengthening support systems across governance levels.

As part of the continuing monitoring initiatives and to strengthen understanding and commitment across governance levels, the Human Resource and Organizational Development and Infrastructure (HRODI) Strand, through the Bureau of Human Resource and Organizational Development–School Effectiveness Division (BHROD-SED), shall conduct an **Online Meeting on the Implementation Status of Teacher Workload Policies**. The activity details are as follows:

### A. Objectives

1. Re-orient participants on the salient features and key processes of teacher workload policies;
2. Present the implementation status, including initial gains, operational challenges, and key concerns identified during the November 2025 Consultation Workshop and teacher survey;
3. Clarify policy directions related to the implementation of teacher workload policies;
4. Identify implementation strategies, support mechanisms, and possible interventions needed across governance levels to support effective and sustainable policy implementation; and
5. Strengthen understanding, commitment, and compliance across governance levels to protect teachers' work hours and workload.

Kindly refer to the indicative Program of Activities attached as **Annexes A and B**.
