Greetings!

This is to inform your good Office that the School Health Division (SHD) under the Bureau of Learner Support Services (BLSS) shall conduct an **Ocular Visits on Central Kitchen Training Centers (CKTCs)** in selected SDOs in your region on **October 21-24, 2025**. This initiative is part of our continuing efforts to ensure the program's efficiency and strengthen our collaborative work with local stakeholders specifically in the operation of central kitchens and CKTCs.

The monitoring team shall visit the Regional Office and selected SDOs to accomplish the following:

- Interview the Central Kitchen (CK) Regional and SDO focal using the monitoring tool; review available reports and data; discuss policy and implementation concerns; gather feedback; and provide the necessary technical assistance.
- Monitor the operations of the CKTC and assess their effectiveness as a training and benchmarking facility.
- Document best practices in the implementation of CK models and their effectiveness in school feeding.
- Identify operational challenges encountered by Regional and Division offices, and CK personnel/manpower in schools.
- Visit a nearby satellite school to validate the findings and gather feedback from stakeholders, such as feeding volunteers, learners, etc.

In this regard, may we request the SBFP focal persons/health personnel from the ROs and SDOs to join the monitoring team and coordinate the activity to ensure that immediate solutions to any identified concerns can be instituted. We also request the RO or SDO staff to arrange an exit conference per Central Kitchen training center to discuss the findings of the monitoring visit.
