1. In line with the phased approach to streamlining the senior high school (SHS) curriculum, the Department of Education (DepEd) issues the enclosed guidelines for the **Pilot Implementation of the Strengthened Senior High School (SSHS) Curriculum for Grade 12 in School Year (SY) 2026-2027**.
2. The enclosed guidelines are anchored on DepEd Memorandum No. 048, s. 2025, titled Pilot Implementation of the SSHS Curriculum for Grade 11 in School Year 2025-2026. These guidelines are intended to address key concerns raised during the national consultations conducted in February and March 2026 with SSHS pilot implementers.
3. The pilot implementation of the SSHS curriculum shall adhere to the three-term school calendar and comply with existing guidelines on work immersion, field exposure, and arts apprenticeship, as well as other related implementation requirements that may be issued separately.
4. For SY 2026-2027, the implementation of the Grade 12 SSHS curriculum shall be strictly limited to schools that implemented the Grade 11 program in SY 2025-2026; no additional schools shall be included. The official list of Grade 12 SSHS pilot schools is provided in **Annex D**.
5. Only electives with officially uploaded Curriculum Guides (CGs) on the DepEd website (<https://www.deped.gov.ph/strengthened-shs-program/>) shall be offered. Schools must await the official release of the corresponding CGs before scheduling any elective subject.

6. This Memorandum shall take effect upon its approval and issuance, and 15 days after its publication on the Official Gazette or in a newspaper of general circulation. Certified copies of this Memorandum shall be registered with the Office of the National Administrative Register (ONAR) at the University of the Philippines Law Center (UPLC), UP Diliman, Quezon City.

7. For inquiries or clarifications, please contact the **Strengthened SHS Technical Working Group Secretariat**, Department of Education Central Office, DepEd Complex, Meralco Avenue, Pasig City, through email at strengthenedshs@deped.gov.ph.

8. Immediate dissemination of this Memorandum is desired.

(Enclosure to DepEd Memorandum No. **036**, s. 2026)

PILOT IMPLEMENTATION OF THE STRENGTHENED SENIOR HIGH SCHOOL CURRICULUM FOR GRADE 12 IN SCHOOL YEAR 2026-2027

I. RATIONALE

1. Following the pilot implementation of the Strengthened Senior High School (SSHS) Curriculum for Grade 11 in School Year (SY) 2025–2026 (DepEd Memorandum No. 048, s. 2025), the Department shall proceed with the pilot implementation of the SSHS Curriculum for Grade 12 in selected schools for SY 2026–2027. This phased approach enables the Department to test key features of the curriculum, including expanded learner choice through electives, Work Immersion, and Field Exposure, while ensuring continuity for the learners who began the SSHS pilot curriculum in Grade 11.
2. During national consultation sessions conducted from February to March 2026, stakeholders raised concerns regarding the clarity and consistency of elective offerings, learner assessment and progression, teacher preparedness, implementation of Work Immersion, and other operational and operational requirements affecting pilot schools, Schools Division Offices (SDOs), and Regional Offices (ROs).
3. In response, these guidelines provide clear, standardized, and actionable directives on elective offerings and approval processes, learner assessment and progression, teacher preparation and deployment, Work Immersion implementation, and other operational requirements. These measures are intended to promote consistency, strengthen school readiness, and ensure alignment across pilot schools, SDOs, and ROs.

II. SCOPE

4. These Guidelines shall apply to schools that participated in the pilot implementation of the SSHS Curriculum for Grade 11 in SY 2025–2026. For SY 2026–2027, implementation of the Grade 12 SSHS Curriculum shall be limited to the same set of schools; no additional schools shall be included. The official list of the 887 SSHS pilot schools is provided in **Annex D**.

All concerned SDOs, ROs, and Central Office (CO) Bureaus and Services shall comply with the provisions of this Memorandum.

III. PROCEDURES

A. Electives

5. **Core subjects shall no longer be offered in Grade 12.** All five (5) core subjects, namely, Effective Communication/*Mabisang Komunikasyon*,

General Mathematics, General Science, Life and Career Skills, and *Pag-aaral ng Kasaysayan at Lipunang Pilipino* are completed in Grade 11. **Thus, Grade 12 shall focus on electives and on experiential learning through Work Immersion for the TechPro track, and Arts Apprenticeship or Field Exposure for the Academic track.**

6. Electives are required subjects chosen by learners to complement their core curriculum. Learners shall select electives based on their interests, career goals, and intended post-secondary pathways.
7. To help schools manage resources and guide learner choice, electives are organized into clusters aligned with the different tracks. The clusters of electives per track are listed in Table 1.

Table 1. Cluster of Electives per Track

| Clusters of Electives | |
|---|---|
| Academic Track | Technical Professional Track |
| <ul style="list-style-type: none"> • Arts, Social Sciences, and Humanities • Business and Entrepreneurship • Science, Technology, Engineering, and Mathematics • Sports, Health, and Wellness • Field Experience | <ul style="list-style-type: none"> • Aesthetic, Wellness, and Human Care • Agri-Fishery Business and Food Innovation • Artisanry and Creative Enterprise • Automotive and Small Engine Technologies • Construction and Building Technologies • Creative Arts and Design Technologies • Hospitality and Tourism • ICT Support and Computer Programming Technologies • Industrial Technologies • Maritime |

8. The complete list of electives per cluster, including prerequisites and required hours, are provided in **Annex A**.
9. DepEd Order (DO) No. 51, s. 2015 entitled *Guidelines on the Implementation of the Senior High School (SHSs) Program in Existing Public Junior High Schools (JHSs) and Integrated Schools (ISs), Establishment of Stand-Alone Public SHSs, and Conversion of Existing Public Elementary and JHSs Into Stand-Alone SHSs* originally established strands or specialized curricula tied to a specific track. **The SSHS curriculum replaces strands with track-independent elective clusters.** Under this framework, schools are not mandated to offer every subject within a cluster; moreover, learners shall be permitted to enroll in any elective across any of the clusters made available by the school.
10. Only electives with officially uploaded Curriculum Guides (CGs) on the DepEd website shall be offered. Schools shall not offer any elective subject

without an officially released CG, even if listed in the SSHS Shaping Paper. All available CGs may be accessed at: <https://www.deped.gov.ph/strengthened-shs-program/>.

11. In addition to the prescribed SSHS curriculum, private schools may offer subjects aligned with their institutional philosophy, mission, and vision, such as Theology and Christian Living, consistent with Section 9.1 of DO No. 88, s. 2010.
12. Schools may also develop and offer school or community-based subjects that respond to local contexts and learner needs [DepEd Order No. 54, s. 2022]. However, such subjects must undergo review and approval by the Central Office through the Bureau of Curriculum Development (BCD) prior to implementation.
13. To ensure that elective offerings are within school capacity, Table 2 maps previous SHS tracks and strands to their corresponding cluster of electives under the SSHS curriculum. This mapping shall guide schools, SDOs, and ROs in planning pilot offerings. **A school may offer a given cluster or elective only if it holds a permit or government recognition for the corresponding track or strand under the SHS curriculum.** Schools that offered electives without the required permit or government recognition during the first year of the pilot may continue offering these in the second year, provided that such offerings were included in the school's approved pilot application [~~OM-OSEC-OUOPS-2025-01-02265~~ *Nomination of Potential Pilot Schools for the Strengthened Senior High School Program*]. For purposes of securing permits or government recognition, DO No. 51, s. 2015 and DO No. 54, s. 2022 or the *Guidelines on the Selection of Senior High School Technical-Vocational-Livelihood Specialization* shall remain in effect, unless superseded by subsequent issuances.

14. In line with the three (3)-term school calendar, Grade 12 elective classes shall adopt instructional periods of one and one-half (1.5) hours, or longer, as may be deemed appropriate to ensure effective delivery of learning competencies. Within each 1.5-hour face-to-face session, teachers shall implement structured instructional segments such as lesson input, discussions, guided practice, and collaborative activities. Tasks that cannot be completed within the allotted class time may be assigned as extended learning activities to be accomplished outside school hours. This arrangement shall not be construed as a modular approach, as all instruction, discussions, and teacher-learner interactions shall remain fully face-to-face during class hours. Sample programs of study and class programs are provided in **Annex B**.

B. Work Immersion

15. **Work Immersion** is a key component of the Grade 12 SSHS Curriculum that provides learners with structured opportunities to experience authentic workplace environments and develop competencies aligned with their chosen career pathways.
16. Under the SSHS curriculum, Work Immersion shall consist of 320 to 640 hours. For the TechPro Track, Work Immersion may be implemented in any term of Grade 12, whereas for the Academic Track, it is offered exclusively in the third term, following the completion of all prerequisite subjects. The program includes designated consultation periods for mentoring, supervision, and progress monitoring.
17. **Work Immersion is mandatory for all TechPro learners** to ensure alignment with industry demands. On the other hand, for Academic Track learners, Work Immersion is optional but recommended for those seeking immediate post-secondary employment. **Academic Track learners intending to pursue higher education are instead recommended to take Field Exposure.**
18. Further details and updated implementation guidelines on Work Immersion shall be provided in a separate issuance.

C. Field Experience

19. **Field Experience** is a cluster of electives under the Academic Track that provides learners with opportunities to engage in experiential learning in professional or industry contexts, serving as a career guidance opportunity that helps them explore potential career paths and align their academic interests with future professions. Field Experience electives are **optional for Academic Track learners.**

20. The electives under the Field Experience cluster are:

- a. **Field Exposure (80 to 160 hours)** is an experiential learning elective for the Academic Track designed to provide learners with structured opportunities to observe professional environments aligned with their chosen career. It aims to enhance career awareness, develop work ethics, and deepen learners' understanding of the competencies and demands of the workplace environment.

Field Exposure (Off-campus, 80 hours) is an experiential learning elective designed to broaden learners' understanding of potential career pathways through structured observation of professional environments. It provides meaningful exposure to workplace settings,

enabling learners to gain insights into industry practices and engage in guided learning experiences outside the school.

In-Campus Field Exposure for Sports (160 hours) is an experiential learning elective conducted within the school environment that provides learners with hands-on experience in sports-related activities, recreation, first aid, and basic life support. This elective subject allows learners to apply classroom knowledge by assisting in physical education classes and sports training, supporting the conduct of intramural programs, coordinating fitness activities for teachers and learners, and sports equipment and related resources.

- b. **Arts Apprenticeship (160 hours)** is an elective that provides learners with intensive, hands-on training in visual arts, traditional cultural expressions, media arts, literary arts, and performing arts through partnerships with art organizations, production houses, independent artists, designers, and cultural groups. It aims to develop learners' artistic knowledge, technical skills, creativity, cultural appreciation, and professional work ethics, while providing authentic exposure to practices and applications within the creative industries.
- c. **Research 1 (80 hours)** is an elective designed to strengthen learners' critical thinking, argumentation, and problem-solving skills through engagement in the research process. It introduces the principles and ethics of research, guiding learners in identifying relevant research problems and reviewing related literature to build evidence-based arguments. Learners formulate research questions, justify their chosen problems using credible sources, and design appropriate research methodologies, culminating in the development of a research proposal that can serve as a foundation for research or innovation work.
- d. **Research 2 (80 hours)** is an elective that further develops learners' critical thinking, analytical, and problem-solving skills through the implementation of the research process. Building on their research proposals, learners design and validate research instruments, conduct systematic data collection, and apply appropriate methods to analyze and interpret data. Emphasizing evidence-based reasoning, the course enables learners to identify patterns, explain findings, and relate results to their research questions and related literature. It culminates in the completion of a comprehensive research report, and the effective presentation and defense of the study, grounded in ethical research practices.
- e. **Design and Innovation (80 hours)** is an elective that engages learners in a human-centered, collaborative, and iterative design process to understand problems, co-create possibilities, build

prototypes, and improve solutions with (not for) users and communities. Using the Filipino-localized Habi Design Thinking Process (developed by Habi Education Lab), learners practice *pakikipagkapwa*, empathy, listening, observation, problem finding, teamwork, creative ideation, prototyping, feedback gathering, iteration, ethical decision-making, and reflective communication. In this elective, learners work in teams to complete a capstone project that responds to a meaningful need in their school, community, workplace, or chosen field. The emphasis is not only on producing an innovative product/service/system/experience, but on demonstrating a thoughtful design process: understanding people, reframing problems, testing assumptions, learning from feedback, and improving ideas with humility and care.

D. Cross-Track Option

21. The SSHS Curriculum allows learners to take electives from both tracks through the cross-track (previously “doorway”) option. Grade 12 Academic Track learners may take one (1) TechPro elective, while Grade 12 TechPro Track learners may take up to four (4) Academic electives.
22. Academic track learners using the cross-track option may opt to take either Work Immersion or Field Experience, depending on their post-secondary goals. Work Immersion is highly recommended for employment-bound learners.
23. In Grade 12, transferring from the Academic to TechPro track (or vice versa) is permitted, provided these are reflected in the Learner Information System (LIS) and approved by the school head. Prerequisite subjects from the learner’s original track shall be assessed and appropriately credited, as applicable.

E. Class Program

24. School Heads shall be responsible for and have the flexibility in managing class programs to ensure the efficient use of facilities, resources, and teacher schedules for all required subjects, including Work Immersion. In maximizing these programs to support learners' curriculum exits, the total weekly load shall not exceed 40 hours. Sample programs of study and class programs are provided in **Annex B**.
 - a. For Grade 12 learners under the Academic Track
 - i. Learners taking only Academic Electives may enroll in up to (twelve) 12 electives, four (4) electives per term.

- ii. Learners taking both Academic and TechPro electives (cross-track) may enroll in up to eight (8) Academic Electives and one (1) TechPro Elective. A possible distribution is four (4) Academic Electives in Term 1, four (4) in Term 2, and one (1) TechPro Elective in Term 3.

b. For Grade 12 learners under the TechPro Track

- i. Learners taking only TechPro Electives may enroll in up to two (2) TechPro Electives and complete Work Immersion. A possible distribution is one (1) TechPro Elective in Term 1, one (1) in Term 2, and Work Immersion in Term 3, or one (1) TechPro Elective in Term 1, and Work Immersion in Term 2 and 3.
- ii. Learners taking both TechPro and Academic Electives (cross-track) may enroll in up to two (2) TechPro Electives and up to four (4) Academic Electives. A possible distribution is one (1) TechPro Elective in Term 1, (1) TechPro Elective in Term 2 or four (4) Academic Electives in Term 2, and Work Immersion in Term 3.

25. The Homeroom Guidance Program (HGP) shall form an integral part of the class program and shall be conducted for at least one (1) hour every week, in accordance with existing policies and guidelines.

F. Enrollment, Learner Information System (LIS), and School Forms

26. Learners who completed the pilot of the Grade 11 SSHS Curriculum during SY 2025-2026 shall be eligible to enroll in the pilot of the Grade 12 SSHS Curriculum during SY 2026-2027.

27. Learners who have not completed the required Grade 11 SSHS subjects and who intend to enroll in the Grade 12 SSHS pilot shall undergo the Summer Academic Remedial Program (SARP), subject to guidelines to be issued separately. If a learner fails the subject after SARP, the incomplete or failed subject or elective may be taken as a back subject in Grade 12, provided that it is not a prerequisite to any enrolled subject.

28. For Grade 12 learners with incomplete or failed subjects under the previous SHS curriculum who seek to enroll in SSHS pilot schools, the receiving school may undertake any of the following:

- Refer the learner to schools that continue to implement the previous Grade 12 SHS Curriculum; or

- Continue offering the required subjects where the learner obtained incomplete or failing grades for one (1) school year (SY 2026–2027), subject to the school’s capacity.

Additional transitory provisions shall be provided through a separate issuance.

29. Schools shall ensure that the SSHS tracks, clusters of electives, and electives are correctly tagged in the Learner Information System (LIS), as follows:
 - a. Track: Learners must be enrolled under either the SSHS Academic Track or SSHS TechPro Track.
 - b. Clusters: There are five (5) Academic Track clusters and ten (10) TechPro Track clusters of electives.
 - c. Electives: Electives shall be properly tagged per learner using the "Elective Tagging" system in the LIS. Academic electives shall be tagged by cluster, while TechPro electives shall be tagged per specific elective.
30. Learners transferring between SSHS pilot schools may continue their chosen track (Academic or TechPro), subject to the availability of offerings in the receiving school. All previously earned credits and completed subjects under the SSHS shall be recognized and duly reflected in the LIS.
31. Updated school forms aligned with the current structure of the SSHS curriculum shall be issued under a separate issuance and implemented accordingly.

G. Assessment, Grading, Remediation, Completion, Awards and Recognition

32. A separate policy on the assessment and grading of core subjects as well as Academic and TechPro electives shall be issued. In the interim, pilot schools may continue to use the initially released Modified E-Class Record. A Revised SSHS E-Class Record for SY 2026-2027, aligned with the updated assessment policy shall be provided subsequently.
33. A learner who obtains a final grade below 75% in one (1) or two (2) electives shall be required to go through the Summer Academic Remedial Program (SARP) or remediation at the end of each term for the specific electives. In Grade 12, a learner who fails three (3) or more subjects shall be retained in the grade level and must repeat the failed subjects.
34. A learner who obtains a failing final grade in Mabisang Komunikasyon/ Effective Communication shall undergo remediation for the specific component(s) failed. If a learner fails only one component but obtains a passing final grade in Mabisang Komunikasyon/Effective Communication, the learner shall be considered passed and no remediation shall be required.

35. Learners enrolled in the SSHS Curriculum shall complete the prescribed minimum number of core and electives, together with the required immersion hours, as applicable, to qualify for graduation. Compliance with these requirements certifies that learners have attained the minimum competencies aligned with their chosen curriculum exit. Completion of all required subjects and hours is mandatory for the issuance of a Senior High School Diploma.

- a. **Academic Track.** Learners in the Academic Track shall complete a combination of core subjects and elective(s) distributed across Grades 11 and 12. The Grade 11 core subjects and Academic Electives were offered on a semestral basis during SY 2025-2026, while the Grade 12 electives shall be delivered on a threeterm basis for SY 2026-2027. Table 3 provides a summary of the graduation requirements for the Academic Track of SSHS Pilot Schools from SY 2025 - 2026 and SY 2026 - 2027.

Table 3. Graduation Requirements for Academic Track of SSHS Pilot Schools from SY 2025 - 2026 and SY 2026 - 2027

| Purely Academic Track | | | |
|---------------------------------|---------------------|---------------------------|------------------------|
| Grade Level | Subject Type | Number of Subjects | Number of Hours |
| Grade 11 (Semestral) | Core Subjects | 5 | 800 |
| | Academic Electives | 4 | 320 |
| Grade 12 (Three-Term) | Academic Electives | 9-12 | 960 |
| Total Number of Subjects | | 18-21 subjects | 2,080 |

| Academic Track with Cross-Track | | | |

| Grade 12 (Three-Term) | Academic Electives | 8 | 640 |
| Grade 12 | *TechPro Elective (cross-track) | 1 | 320 |
| Total Number of Subjects | | 18 subjects | 2,080 |

Learners who choose to enroll in more than the required minimum number of subjects must pass all subjects taken to graduate. Regardless of whether they have already met the minimum required number of electives, learners who fail any elective must undergo appropriate remediation and comply with the requirements of the subject before they can be cleared for graduation. This is to encourage

learners to take only the electives they can manage, considering their time, capacity, and available resources.

- b. **TechPro Track.** Learners in the TechPro Track shall complete core subjects, electives, and Work Immersion, distributed across Grades 11 and 12. The Grade 11 Core Subjects and Academic Electives were offered on a semestral basis during SY 2025-2026, while the Grade 12 Electives shall be delivered on a three-term basis for SY 2026-2027. The graduation requirements for the TechPro Track of SSSH Pilot Schools from SY 2025 - 2026 and SY 2026 - 2027 are outlined in Table 4.

Table 4. Graduation Requirements for the Technical Professional Track of SSSH Pilot Schools from SY 2025 - 2026 and SY 2026 - 2027

36. SSSH learners who attain a general average of at least 95, with no Final Grade lower than 85 in any learning area, shall be granted the Academic Excellence Award. Awardees shall be listed alphabetically in announcements to promote fairness and minimize undue competition. They must also have no derogatory records or recorded disciplinary cases within the school year. This recognition affirms consistent academic performance, responsibility, and well-rounded achievement.

37. The following awards shall be conferred upon learners in addition to the Academic Excellence Award. Table 5 provides the list of other awards and recognitions.

Table 5. List of Awards and Recognition

| Award/ Recognition | Description |
|---|---|
| Leadership Excellence Award | This award shall be granted to learners who demonstrate exemplary leadership qualities including initiative, responsibility, cooperation, and the ability to positively influence others in school activities, clubs, organizations or community engagements. Awardees shall have no derogatory records or disciplinary cases within the school year. |
| Excellence in (<i>Specific Learning Area</i>) | <p>This award recognizes learners who demonstrate outstanding performance in a specific learning area. It shall be conferred on learners who obtain the highest Final Grade, not lower than 95, in each Core Subject and in each elective cluster, provided that the learner has taken at least three electives within the cluster, or all electives offered by the school within that cluster when fewer than three are available.</p> <p>It shall be conferred on a learner in each batch who obtains the highest Final Grade in the specific learning area that is not lower than 95. In cases where two or more learners achieved the highest grade, multiple awardees shall be recognized.</p> |
| Excellence in: <ol style="list-style-type: none"> 1. Work Immersion, 2. Field Exposure, and 3. Arts Apprenticeship | <p>These awards shall be granted to SHS learners who obtain the highest grade in the respective learning areas and are endorsed by the industry partner or immediate supervisor.</p> <p>In cases where two or more learners achieved the highest grade, multiple awardees shall be recognized.</p> |
| Excellence in Research | This award is given to learners who have completed Research 1 and 2. Grade 12 graduating learners—whether as individuals, pairs, or groups of not more than four members—must have led the planning and execution of a research project that advances the application of knowledge or contributes to improved efficiency, productivity, or quality of life within the school and/or community. |
| Excellence in Design and Innovation | This award is conferred on learners who have completed Design and Innovation. Grade 12 graduating learners—whether as individuals, pairs, or groups of not more than four (4) members—must have led the development and implementation of an innovative solution that demonstrates practical application, enhances efficiency or productivity, or addresses real-world needs in the school and/or community. |

| Award/ Recognition | Description |
|----------------------------|--|
| Special Recognition Awards | This award shall be granted to learners who bring honor to the school by achieving top distinctions in competitions, contests, exhibitions, or similar endeavors at the regional, national, or international levels in academic, technical-vocational, cultural, or athletic fields. |

38. Detailed guidelines on the criteria, processes, and procedures for awards and recognition, including information on the Awards Committee and protest mechanisms, are provided in a separate DepEd issuance.

IV. ROLES AND RESPONSIBILITIES

39. The CO, through the Learning System (LS) Strand, shall provide overall policy direction and technical guidance for the pilot implementation of the Grade 12 SSHS Curriculum. The LS strand shall develop and issue the necessary guidelines, conduct orientations and capacity-building activities for field implementers, monitor the progress of pilot schools, and coordinate with the ROs and SDOs, as well as external partners to ensure effective curriculum delivery.

40. The CO, through the National Educators Academy of the Philippines (NEAP) and the SSHS Secretariat, shall lead the design and implementation of a professional development program for pilot schools to ensure effective and consistent implementation of the SSHS Curriculum.

These shall include, but are not limited to the following:

- a. Training programs for school leaders on curriculum leadership, instructional supervision, navigating partnerships for Work Immersion and job placement, and school level management of the SSHS Curriculum;
- b. Face-to-face training for select teachers of Core Subjects to strengthen content knowledge and pedagogical competence;
- c. Online training programs for public and private school teachers handling Core Subjects, Academic and TechPro Electives, to be delivered through the DepEd Learning Management System; and
- d. Other professional development activities that may be necessary to support continuous teacher development and effective curriculum implementation.

41. The ROs through the Curriculum and Learning Management Division (CLMD), shall oversee the implementation of the Grade 12 SSHS Curriculum within their respective regions. They shall ensure compliance with DepEd policies and guidelines, provide technical assistance and capacity-building to SDOs and schools, coordinate regional support initiatives, and communicate emerging issues, best practices, and recommendations to the CO.

42. The SDOs through the Curriculum and Implementation Division (CID), shall supervise and support pilot schools. They shall ensure adherence to policy guidelines, provide technical assistance on class scheduling, elective offerings, and teacher deployment, monitor school-level implementation, and recommend necessary adjustments in coordination with the RO and CO, taking into account learner needs, school resources, and local industry partnerships.
43. Pilot schools shall implement the Grade 12 SSHS Curriculum in accordance with DepEd policies and guidelines. They shall monitor and evaluate elective and track offerings throughout the school year, ensure appropriate scheduling and provision of Work Immersion or Field Experience, align learning activities with learners' interests and career pathways, and coordinate closely with the SDO, RO, and CO to support continuous improvement and quality assurance.
44. School Heads shall be guided by Annexes A, B, and C in the development of Grade 12 class schedules and programs.

V. MONITORING AND EVALUATION

45. All schools, SDOs, ROs, and CO shall adhere to DM No. 003 s. 2026 or the "Guidelines on the Monitoring and Evaluation of the Pilot Implementation of the Strengthened Senior High School Curriculum", and the standards established in DepEd Order No. 29, s. 2022 or the "Adoption of the Basic Education Monitoring and Evaluation Framework (BEMEF)".
46. The CO, through the Learning Systems Strand, and through the SSHS TWG Monitoring and Evaluation Committee, shall continuously gather feedback on the implementation of the Grade 12 SSHS Pilot Implementation from all concerned stakeholders. It shall conduct a periodic review of this issuance to further enhance its provisions and effectiveness. In addition, the Philippine Institute for Development Studies (PIDS) will serve as an external evaluator to ensure an objective, impartial, and evidence-based evaluation process.

VI. EFFECTIVITY

47. These Guidelines shall take effect upon its approval, issuance, and fifteen (15) days after its publication on the Official Gazette or a newspaper of general circulation and filing with the Office of the National Administrative Register (ONAR) at the University of the Philippines Law Center (UPLC) UP Diliman, Quezon City.

VII. SEPARABILITY CLAUSE

48.If any provision or part thereof is held invalid or unconstitutional by a competent court, the remaining provisions of the Memorandum not otherwise affected shall remain valid and subsisting.

VIII. REPEALING CLAUSE

49.All other DepEd Orders and other issuances or any of the provisions thereof that are inconsistent with this Memorandum are likewise repealed, revised, or modified accordingly.
