All Others Concerned

1. This Office, through the Curriculum and Learning Management Division and in collaboration with Khan Academy Philippines, will hold an in-person training-workshop for Khan Academy teacher-implementers for SY 2025-2026 titled Harnessing Khan Academy Data: Using Khanmigo, Dashboards, and Reports for Instructional Impact on November 8-9, 2025 at Palmas del Mar Resort, Bacolod City, Negros Occidental.

2. This activity aims to:

- a. navigate and utilize the Khan Academy Teacher Dashboard and Reports to monitor student progress, identify learning gaps, and inform instruction;
- b. interpret student performance data to make data-driven decisions that support personalized and mastery-based learning;
- c. explore and apply Khanmigo AI tools to support instruction, provide student feedback, and enhance differentiated learning;
- d. demonstrate how to use dashboards and AI-powered insights to design targeted interventions and enrichment strategies for learners at different proficiency levels; and
- e. reflect on the role of data and AI in promoting student success and increasing instructional effectiveness within their teaching context.

3. The participants to this activity are the designated Khan Academy teachers of the newly verified Khan Academy implementing schools for SY 2025-2026. The list of newly verified implementing schools, together with the corresponding number of slots allotted, is attached for reference.

4. The participants are expected to be at the venue by 2:00 o'clock in the afternoon of November 8, 2025 for the onsite registration and pre-work activities. They are required to complete the following link for confirmation of attendance on or before November 9, 2025. This process will likewise facilitate the identification of the designated teachers.
