BENEFITING FROM THE ADOPT-A-SCHOOL PROGRAM (ASP)

DATE : 22 October 2025

In line with the upcoming Classroom Summit, the Public Affairs Service (PAS) will be preparing a video loop/playback presentation to be showcased at the event booths. This initiative aims to highlight the impact and success stories of the Adopt-A-School Program (ASP) and its contributions to improving learning environments, especially in geographically challenged and underserved schools.

In this regard, all regions are requested to submit a 2-minute video testimonial from schools that have benefited from Adopt-A-School interventions, preferably Last Mile Schools. The video should feature brief testimonials from school heads, teachers, or learners sharing how the assistance provided through ASP has contributed to improving their school's condition, resources, or learning outcomes.

To ensure consistency and quality, kindly observe the following video guidelines:

- Duration: Maximum of 2 minutes per video.
- Format: MP4 (landscape orientation).
- Content: Clear audio and visuals, focusing on genuine stories or messages of gratitude and impact.
- Label: File name should follow the format – Region_SchoolName_ASPTestimonial.mp4
