MEMORANDUM

DM-OUGOPS-2025-*02* - *06866*

FOR : **ALL REGIONAL AND SCHOOLS DIVISION OFFICES
ALL OTHER CONCERNED OFFICES**

FROM :  **MALCOLM S. GARMA**
*Undersecretary
Office of the Undersecretary for Governance and Operations
Secretary General, Palarong Pambansa*

SUBJECT : **ON THE SUSPENSION OF THE CONDUCT OF
THE GAWAD PAGKILALA SA LARANGAN NG ISPORTS 2025**

DATE : **03 November 2025**

In light of the latest advisory released by the Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) on the potential impact of Tropical Storm "Tino," which is expected to make landfall in Panay Island, and upon the recommendation of the Schools Division of Aklan, the Office of the Undersecretary for Governance and Operations (OUGOPS) hereby **suspends the conduct of the Gawad Pagkilala sa Larangan ng Isports 2025** hosted by the SDO Aklan Region VI, originally set on November 6, 2025, at the Paradise Garden Hotel and Convention Center, Malay, Aklan.

The decision to suspend the event was made in the best interest of ensuring the safety, security, and overall welfare of all participants, guests, and members of the working committees. Considering that the activity is to be held on an island, the anticipated heavy rainfall, strong winds, and possible flooding may pose serious risks to attendees.

As the Department upholds its commitment to the protection and well-being of its personnel and stakeholders, OUGOPS deems it prudent to postpone the conduct of the activity until weather conditions stabilize and it is determined safe to proceed.

The new schedule and venue of the *Gawad Pagkilala sa Larangan ng Isports 2025* shall be announced accordingly once conditions allow for the safe resumption of preparations and activities.

For information and guidance.

Sir:

Greetings!

In view of the latest advisory from PAGASA regarding the threat of Tropical Storm "Tino" which is expected to make landfall in Panay Island based on the latest bulletin and based on the recommendation from the Provincial Disaster Risk Reduction and Management Office (PDRRMO) Aklan, this Office respectfully **recommends the postponement** of the scheduled **Gawad Pagkilala sa Larangan ng Isports 2025**.

The potential risks posed by the storm, including heavy rainfall, strong winds, landslides, storm surge, and possible flooding, may endanger the safety of our participants, guests, and working committees, especially since the event is being held on an island. In line with the Department's priority on the welfare and security of all stakeholders, it is deemed prudent to defer the conduct of the said activity until weather conditions improve.

Should this recommendation be approved, the new date and venue of the activity shall be coordinated and announced once it is safe to proceed.

For your favorable consideration.

Very truly yours
