SUBJECT : CONDUCT OF INVENTORY SURVEY ON TEACHERS' TESDA CERTIFICATIONS FOR SCHOOL YEAR 2025-2026

DATE : October 29, 2025

The Department of Education (DepEd) remains steadfast in its commitment to building a future-ready workforce capable of continuously delivering quality basic education to all learners. To better understand its human resource profile and optimize workforce potential, the Department has been implementing data analytics initiatives that strengthen strategic plantilla and workforce management planning. As part of this effort, the Bureau of Human Resource and Organizational Development – School Effectiveness Division (BHROD-SED) is initiating a comprehensive teacher inventory to inform ongoing and future strategies.

In line with this, an inventory survey will be conducted to gather data on DepEd teaching personnel:

1. Valid certifications issued by the Technical Education and Skills Development Authority (TESDA), including the National Certification, Trainers' Methodology Certification, and Assessorship Certification; and
2. Demographics and specializations of teachers across grade levels, and subjects handled by Senior High School (SHS) teachers across SHS strands.

To facilitate the data collection, all DepEd teaching personnel across regions must accomplish the **Offline Form for the Inventory of Teachers' TESDA Certifications**. The form and its accompanying user guide may be downloaded from **bit.ly/TeacherCerts25**, while accomplished forms shall be submitted through the official submission portal at **bit.ly/TeacherCerts25-Submit**.

To ensure proper understanding of the data requirements and submission procedures, a **virtual technical support meeting** will be held on November 10, 2025 (1:30 PM–3:00 PM) via Microsoft Teams with designated Regional Office (RO) and Schools Division Office (SDO) representatives. Each RO and SDO are requested to send one (1) representative only. The meeting may be accessed through **bit.ly/TeacherCerts25-Meeting**.
