Dear Dr. Uytico:

Greetings of Peace and Prosperity!

This letter is a formal request for support for a benchmarking activity on behalf of the delegation from Region 7. We humbly seek your assistance in hosting our delegation for a benchmarking activity focused on strengthening the implementation of Rural Farm School (RFS) in Bayawan City Division.

The benchmarking activity will be held on November 26-28, 2025. Our delegation consists of representatives from the 12 SDOs and personnel from the regional office 7. We aim to gain insights into innovative and sustainable approaches that can help us intensify our own RFS implementation and adopt best practices to address challenges in improving learner participation and retention rates.

We kindly request your support in facilitating communication and coordination with Bayawan City Division and in providing guidance on the logistics and necessary arrangements for our visit.
