MASTERPLAN FOR 2026-2030**

DATE : 05 November 2025

In view of the **Year-End Conference and National Planning Workshop on the School Infrastructure Masterplan** to be held on 24-28 November 2025, pursuant to the DepEd-DPWH Joint Memorandum Circular (JMC) No. 01, s. 2024 "Formulation of a Classroom Masterplan and Masterlist for the Schools Construction and Repairs," **the concerned field personnel are advised to facilitate the necessary preparatory work to review and update their respective masterlists ahead of the scheduled workshop.**

To ensure a streamlined and data-driven planning process, the review and updating of the masterlists must be guided by the following parameters:

1. **Re-evaluation of the list of schools** proposed for inclusion, ensuring compliance with the following documentary and site readiness requirements:
 - Valid site ownership documents (in favor of DepEd);
 - Availability of buildable space for new classroom construction;
 - Soil test results for proposed multi-storey buildings;
 - Geohazard assessments; and
 - Other relevant supporting documents.

 - Those funded or proposed under alternative sources such as the Special Education Fund (SEF) through LGUs, Public-Private Partnership (PPP), Infrastructure for Safer and Resilient Schools (ISRS) Project, private donors, NGOs, and other external funding mechanisms.
3. **Use of the prescribed Excel template** for the updating of masterlist accessible via this link: <https://bit.ly/MASTERLIST2026-2030> **for downloading only**. Kindly ensure that this version is used uniformly across all submissions.

 - Approved and Endorsed by the Regional Director.
5. **Submission of Masterplan/Masterlist**
 - Attached to this memo are the *Answering Guide* and *Sample Format* to assist in the preparation of the masterlist. Each region/division is encouraged to submit both hard copies and soft copies—specifically, the scanned version and the editable Excel file—to ensure proper documentation and consolidation. Soft copies must be emailed to the Education Facilities Division – Project Assessment and Programming Unit (EFD-PAPU) through email efd.papu@deped.gov.ph, copy furnished Area Managers and Focal from PAPU Unit.
 - Submissions are to be consolidated at the regional level and transmitted by the Regional Engineers to the EFD through the respective Area Managers.

This preparatory work is essential to ensure the accuracy, completeness, and integrity of our school infrastructure data, and to support effective programming, resource allocation, and monitoring.

Should you need further information/clarification, please contact the EFD through the email address provided above or landline (02) 8638-7110.

ANSWERING GUIDE

Initial Points to Consider:

- **Shovel-Ready Requirement:** Only include proposals that are considered shovel-ready. At a minimum, each entry must meet the following baseline criteria:
 - There is a confirmed buildable space, even if it requires demolition to proceed with construction.
 - The site has acceptable and verified ownership, clearly in favor of DepEd (e.g., titled to DepEd, with Deed of Donation, or covered by a valid usufruct agreement).
- **Exclusion of Non-Ready Sites:** Proposals that do not meet the above minimum requirements should not be included in this masterlist. This ensures that only viable, implementation-ready projects are prioritized for funding consideration.
- **Alignment with Other Fund Sources:** We request and recommend that during the updating of this masterlist:
 - If several proposals are already covered by other funding sources (e.g., PPP, ISRS, LGU-funded), these should be netted out or marked accordingly.
 - To maintain equitable distribution and maximize resource utilization, we encourage submitting additional proposals to match or replace those already funded by other sources. This ensures that each legislative district, city, or province continues to have a fair share of proposals under DepEd's pipeline.
