SCHOOL HEADS

GERSON MARVIC M. ABESAMIS
Director IV

SUBJECT : CONSULTATION ON THE DRAFT OMNIBUS POLICY
GUIDELINES ON EDTECH

DATE : 29 June 2026

The Department of Education (DepEd) is currently finalizing the Omnibus Guidelines on Educational Technology (EdTech). This upcoming issuance is anchored on the core principles of coherence, human-centeredness, and context-awareness. The policy's primary objective is to ensure that the integration of technology remains firmly grounded in the actual needs of both learners and teachers.

To ensure this policy is responsive to the realities on the ground, the Bureau of Learning Delivery (BLD) is convening a consultation with school heads. The goal of this consultation is to verify if the draft guidelines effectively support schools in adapting appropriate technologies to classrooms. We aim to confirm that the policy provides clear guidance for the responsible, human-centered, and context-aware integration of EdTech in teaching and learning.

Please note that participation in this consultation is not mandatory. Attendance is entirely voluntary, and only those who are interested in joining the discussion are encouraged to participate. The consultation will be held on **July 2, 2026, 2:00 to 4:00 pm** via **Google Meet** link: <https://tinyurl.com/EDTPolicy-SH>.
