FOR FISCAL YEAR 2025 (BATCH 2)**

To: Undersecretaries
Assistant Secretaries
Bureau and Service Directors
Regional Directors
Schools Division Superintendents
Public and Private Elementary and Secondary School Heads

All Others Concerned

1. The **National Assessment for School Heads (NASH)** is designed to evaluate the conceptual understanding and situational critical thinking skills of aspiring school leaders in the Department of Education (DepEd) schools, aligned with the standards set forth by the Philippine Professional Standards for School Heads (PPSSH), as stipulated in DepEd Order No. 024, s. 2020 or the National Adoption and Implementation of the Philippine Professional Standards for School Heads. The assessment framework is guided by the Structure of the Observed Learning Outcome taxonomy to ensure a structured and standards-based evaluation of school leadership competencies.

2. As the **primary mechanism** for assessing competency and readiness, the **NASH** serves as a **developmental assessment tool** designed to identify areas for improvement and support leadership growth. Its objectives include the following:

- a. Increase DepEd's pool of candidates to fill current and ongoing vacancies resulting from retirement, promotion, or other staffing needs;
- b. Provide opportunities for head teachers and assistant school principals affected by the implementation of the career progression for teachers to undergo the assessment;
- c. Gather baseline information on the competency and learning needs of aspiring school leaders, which shall inform the design and implementation of targeted professional development programs by the National Educators Academy of the Philippines (NEAP); and
- d. Assess and identify the learning and professional development needs of potential school heads for them to effectively perform their functions as heads of schools.

3. Pursuant to DepEd Memorandum No. 069, s. 2025, titled Administration of the National Assessment for School Heads for Fiscal Year (FY) 2025, and Human Resources and Organizational Development and Infrastructure (HRODI) Strand Memorandum No. DM-OUHROD-2025-3318 dated November 17, 2025, titled Updates and Instructions on the Administration of the FY 2025 National Assessment for School Heads (NASH) - Batch

2, the Department, through the Bureau of Human Resource and Organizational Development-Human Resource Development Division (BHROD-HRDD), administered the FY 2025 NASH Batch 2 on May 17, 2026.

The assessment was conducted simultaneously at **65 assessment sites nationwide** through the DepEd Learning Management System (LMS) using a secure, locked-down testing environment. Of the 23,994 registered assessment takers included in the official list, 23,848 (99.39%) successfully completed the assessment.

4. Following this, the collected responses were processed and analyzed. Consistent with the methodology used in the FY 2025 NASH (Batch 1), **examinees' scores were determined through a quantitative analysis** using the **Ordinal Partial Credit Model**, which applied a **multi-level scoring approach**. The scoring methodology is presented below:

- a. **Item Level:** Each response was scored on a 0–3 scale, where 0 = incorrect and 3 = most correct. This scale reflects varying levels of performance, ensuring that partial understanding and higher-quality answers are both recognized;
- b. **Indicator Level:** The total score for each indicator was calculated, standardized using z-statistics to ensure comparability, and subsequently converted to a scale of 1–100 for easy interpretation and comparison;
- c. **Domain Level:** Scores were obtained by calculating a weighted average of the z-scores for all indicators within each domain, with weights determined by dividing 100 by the total number of indicators. The total weighted average was then transformed to a 1 to 100 scale; and
- d. **NASH Overall Score:** Derived by calculating a weighted average of the z-scores of all domains, normalized to a 1 to 100 scale.

This approach ensures that the **overall score is readily interpretable and affords a thorough evaluation of each examinee's performance across both the indicator and domain levels**.

5. The Overall Score and the Domain Scores were considered in determining the Competency Level of the NASH takers, details of which are as follows:

Competency Level	Criteria	No. of Takers	Status
Meeting PPSSH standards in four domains	With a score of 65 or higher in the overall rating and in the specific ratings of at least four (4) domains	6,180 (25.91%)	Prospective candidates for entry-level school principal positions, subject to assessment and evaluation against the prescribed qualification standards and applicable DepEd hiring guidelines.

COMPETENCY LEVEL	CRITERIA	NO. OF TAKERS	STATUS
Meeting PPSSH standards in three domains	With a score of 65 or higher in the overall rating and in the specific ratings of at least three (3) domains	2,591 (10.86%)	Prospective candidates for entry-level school principal positions subject to assessment and evaluation against the prescribed qualification standards and applicable DepEd hiring guidelines. However, participation in a Targeted Development Program (TDP) facilitated by NEAP, addressing at least one identified area for improvement, is required within three months of appointment.
With Developmental Areas	With a score of 65 or higher in the overall rating but received above 65 in the specific ratings in fewer than three (3) domains or With a score of below 65 in the overall rating	15,077 (63.22%)	Must undertake Professional Development Interventions (PDI) facilitated by NEAP, focusing on the PPSSH Domain identified for Development. Must have completed the PDI and relevant Work Application Plan (WAP) duly certified by the Schools Division Superintendent (SDS) to be considered as prospective candidate to an entry-level School Principal I position, subject to assessment and evaluation against the prescribed qualification standards and applicable DepEd hiring guidelines.

6. The guidelines, procedures, and implementation details for the **TDP** for aspiring school heads who meet the three domains of the PPSSH, as well as the **PDI** for those with Development Areas, shall be issued separately by the NEAP. These shall include the scope, modality, duration, monitoring mechanisms, timelines, and other relevant provisions necessary to support the professional growth and competency development of aspiring school leaders.

To ensure effective implementation of the developmental intervention, the Human Resource Development (HRD) unit under the School Governance and Operations

Division (SGOD) of the Schools Division Office (SDO) shall monitor the participation, completion, and progress of the TDP and PDI participants within their respective divisions and provide the necessary technical assistance and documentation support.

7. The **Individual Certificate of Rating (ICOR)** for FY 2025 NASH Batch 2 participants shall be available through the DepEd LMS using the same account registered during the assessment.

To ensure the correct position title is reflected in the ICOR, participants should, upon logging in, go to their profile section and update the position field by selecting the appropriate title from the dropdown. Other profile details cannot be edited, as these are based on official data from the regions. If corrections are needed, concerned participants are requested to accomplish the online form via this link:

8. The list of **Regional Top Performers** is provided in the enclosure, while the **master list of all the FY 2025 NASH Batch 2 takers per region** will be transmitted to their respective regional offices (ROs) through the BHROD-HRDD. The issuance of a memorandum containing the said list shall be at the discretion of each RO, in accordance with their internal protocols and communication procedures, and subject to applicable data privacy laws, rules, and regulations.
