Disaster Risk Reduction Management

Dear Dir. Uytico,

This is to respectfully request your support in the Conduct of Hands-Only Cardiopulmonary Resuscitation (CPR) orientation and demonstration on July 17, 2026 in observance of the 2026 National Disaster Resilience Month, themed "*Naghahanda at Kumikilos Tungo sa Panatag na Bagong Pilipinas*" with particular focus on promoting the life-saving importance of Cardiopulmonary Resuscitation (CPR).

In view of the rising health emergencies in schools and the push for community-based resilience, the Department of Health emphasizes CPR's critical role this month. Proclamation No. 511 (March 2024) institutionalizes July 17 as National CPR Day, with this year's themed "*Estudyante't Titser, Sa Barangay, Ating mga Lifesaver*" highlighting students and teachers as frontline community first responders.

In this regard, we respectfully request your favorable endorsement and assistance in facilitating the Mass Hands-Only CPR activity among senior high school students in observance of National CPR Day on July 17, 2026.

We trust that this initiative will merit your valuable consideration and continued partnership. For any inquiries, your authorized representative may contact **Mr. Kenrick P. Yecpot**, Training and Capacity Building Focal, at 09675697242 or via email at [nirpcen@doh.gov.ph](mailto:nirpcen@doh.gov.ph), cc: [nirplanning@doh.gov.ph](mailto:nirplanning@doh.gov.ph).

Thank you for your continued support.

Sincerely,

  
**RAZEL NIKKA M. HAO, MD-MBA, MSc**
