DATE : July 22, 2026

The Department of Education, through the Bureau of Learner Support Services - School Health Division (BLSS-SHD), remains steadfast in its mandate to promote the health and wellbeing of its stakeholders in accordance with Republic Act No. 11223 or the Universal Health Care Act, and DepEd Order No. 28 s. 2018 or the Oplan Kalusugan sa DepEd (OKD).

In line with this commitment, DepEd, in partnership with the Department of Health (DOH), Jhpiego and HAPPI Consortium, developed the **"Guro Laban sa Cancer: Resource Booklet for Teachers and Education Support Personnel"** that aims to promote, educate and guide public school teachers and education support personnel in providing accurate information on cervical cancer prevention and the importance of early Human Papillomavirus (HPV) vaccination among adolescent female learners.

To further strengthen and evaluate the instructional effectiveness and suitability of the resource booklet for use by teachers and education support personnel, we are respectfully requesting the participation of the following representatives per governance level to be identified by their respective School Division Offices (SDOs) to join the pilot testing by **providing comments and recommendations to the HPV Resource booklet:**
