The Department of Education (DepEd) has issued **DepEd Memorandum No. 048, s. 2026**, *Allocation and Release of the School Innovation and Improvement Fund to Non-Implementing Unit Public Schools to Strengthen Decentralization Practices in the Department of Education for Fiscal Year 2026*, to provide guidance on the allocation, release, and utilization of the SIIF in Non-IU public schools across all municipality classifications. This issuance underscores the Department's commitment to strengthening decentralization at the school level and ensuring the sustained and expanded implementation of interventions that address learning gaps in literacy and numeracy. By granting schools greater fiscal autonomy and flexibility, it enables them to effectively plan, manage, and implement responsive interventions that are aligned with their unique needs, contexts, and priorities.

In line with the implementation of the SIIF, this Office releases the necessary tools and support mechanisms:

1. **InsightED Landing Portal.** A centralized web-based gateway designed as the primary entry-point to the InsightED platform. Once this is accessed, stakeholders are directed to two sub-portals, depending on user interface objectives.

- a. **School Head Portal.** A planning and submission platform where school heads can identify, encode, and submit interventions under the SIIF, including target beneficiaries, activities, and budget requirements.
- b. **RO and SDO Portal.** An interactive monitoring dashboard that consolidates school-submitted SIIF interventions for review, technical assistance, and monitoring of implementation and fund utilization.
 - **ROs** have view-only access to oversee implementation and provide technical assistance to SDOs.
 - **SDOs** have full access to monitor school SIIF planning, assess alignment of interventions with SIIF objectives, and provide feedback. However, SDOs have view-only access to monitor physical accomplishments and fund utilization.

Important Note: All RO and SDO SBM Coordinators shall create an account by selecting **Sign Up**, completing the required information, and entering the **authorization code**. The authorization code shall be disseminated through the official communication channel.

3. **InsightED Guides.** A repository of user manuals and video guides that provide step-by-step instructions to support users in effectively navigating and utilizing the InsightED platform. It offers comprehensive guidance on key processes, features, and functionalities to facilitate planning, reviewing, monitoring, and reporting activities.

The **Field Technical Assistance Division (FTAD)** and **School Governance and Operations Division (SGOD)** are requested to ensure the widest dissemination of this Memorandum to all program implementers in the regional, division, and school levels.
