REGIONAL MEMORANDUM
No. 949 s. 2026

**GUIDELINES ON THE DOWNLOADING AND UTILIZATION OF PROGRAM
SUPPORT FUNDS FOR THE LOCALIZED ORIENTATION AND
ROLL-OUT OF THE GAS-TUKLAS PROGRAM**

To: Schools Division Superintendents
All Others Concerned

1. Attached is Memorandum OUF-2026-1948 titled Guidelines on the Downloading and Utilization of Program Support Funds for the Localized Orientation and Roll-Out of the GAS-TUKLAS Program.
2. Attention is particularly invited to Paragraphs 6-12 of the said Memorandum.
3. For further queries, contact Dr. Roy D. Villacorte, Regional GAS-TUKLAS Focal Person, FTAD at +639913779608 and roy.villacorte@deped.gov.ph.
4. Immediate dissemination of and compliance with this Memorandum are desired.

OFFICE OF THE UNDERSECRETARY FOR FINANCE

MEMORANDUM

OUF-2026-1948

September 1, 2026

**TO : REGIONAL DIRECTORS
SCHOOLS DIVISION SUPERINTENDENTS
REGIONAL AND SDO GAS FOCAL PERSONS
DESIGNATED REGIONAL AND SDO GAS-TUKLAS FOCAL
PERSONS/COORDINATORS
ALL OTHERS CONCERNED**

FROM : ATTY. EDSON BYRON K. SY
Undersecretary for Finance

**SUBJECT : GUIDELINES ON THE DOWNLOADING AND UTILIZATION OF
PROGRAM SUPPORT FUNDS FOR THE LOCALIZED ORIENTATION
AND ROLL-OUT OF THE GAS-TUKLAS PROGRAM**

The Department of Education (DepEd) issued DepEd Memorandum No. 046, s. 2026 dated July 22, 2026, providing the Pilot Implementation Guidelines of the Government Assistance and Subsidies - Training and Upgrading Knowledge for Learners, Teachers, and Achievers in Schools (GAS-TUKLAS) Program for School Year 2026-2027.

As GAS-TUKLAS is a newly established program being implemented on a pilot basis, the Department recognizes the need for timely, comprehensive, and sustained dissemination of the Guidelines to ensure that field offices, public and private basic education schools, prospective learner-beneficiaries, teacher-coaches, and other relevant stakeholders understand the program and are sufficiently prepared to participate in its implementation.

To support the progressive operationalization and dissemination of GAS-TUKLAS, GASS adopted a phased orientation and roll-out strategy consisting of: (1) the GASS Internal Learning Session conducted on July 31, 2026; (2) the National Online Orientation for Regional Offices (ROs) and Schools Division Offices (SDOs) on August 19-20, 2026; (3) localized orientation and roll-out to be undertaken by ROs, in coordination with their respective SDOs and schools; and (4) in-person Information Caravan and beneficiary orientation for schools, learners, and teacher-coaches through in-person and hybrid modalities.

Following the national orientation, the Department shall proceed with the localized orientation and roll-out phase to bring the program closer to schools and prospective beneficiaries and strengthen the implementation readiness of field offices.

For this purpose, and pursuant to the approval of the Office of the Secretary, Program Support Funds (PSF) amounting to Four Million Four Hundred Twenty Thousand Pesos

(P4,420,000.00) shall be downloaded to the ROs to support the conduct of localized GAS-TUKLAS orientation, cascading, and information dissemination activities.

Purpose of the Program Support Fund

The PSF is intended to provide ROs with operational support for the effective, timely, and wider dissemination of the GAS-TUKLAS Program and its implementing Guidelines within their respective jurisdictions.

1. Cascade and contextualize the GAS-TUKLAS Guidelines to SDOs and public and private basic education schools;
2. Strengthen the readiness of field offices and schools to implement the program;
3. Clarify eligibility requirements, covered competitions, application and validation procedures, allowable assistance, fund utilization, reporting, monitoring, and accountability requirements;
4. Establish or strengthen regional, division, and school-level coordination and technical assistance mechanisms;
5. Disseminate official GAS-TUKLAS information, education, and communication (IEC) materials to schools and prospective beneficiaries;
6. Assist schools in understanding how eligible learners and teacher-coaches may access the program; and
7. Surface and address implementation issues, concerns, and clarifications prior to and during program implementation.

The PSF is a program implementation and dissemination support fund. It is separate and distinct from the financial assistance that may be granted to approved learner and teacher-coach beneficiaries under DepEd Memorandum No. 046, s. 2026.

Amount and Basis of Allocation

A total amount of P4,420,000.00 shall be downloaded to the ROs. The regional allocation was computed at P20,000.00 per SDO for 221 SDOs nationwide.

The P20,000.00 per SDO shall serve as the basis for determining each RO's total allocation and shall not necessarily be construed as a mandatory fixed amount that must be sub-allotted or transferred individually to each SDO.

1. All SDOs under the region are adequately covered by the localized roll-out;
2. Activities and expenditures are directly related to GAS-TUKLAS orientation, cascading, or dissemination;
3. The approved regional allocation is not exceeded; and
4. All expenditures comply with applicable budgeting, accounting, procurement, and auditing rules and regulations.

The corresponding allocation per RO is provided in Regional Program Support Fund Allocation (Annex A) of this Memorandum, while the Confirmation of Acceptance of Program Support Fund and Commitment to Implement (Annex E) shall be accomplished and submitted **on or before August 28, 2026**.

Localized Roll-out Arrangements

ROs shall take the lead in determining the most appropriate localized orientation and roll-out arrangement for their respective jurisdictions. Depending on regional circumstances, the localized roll-out may be conducted through a regional orientation,

clustered orientation, SDO-level orientation, online or hybrid orientation, school-level information dissemination, or a combination of these approaches.

The selected modality should seek to achieve maximum program reach while ensuring reasonable and prudent utilization of available resources.

Minimum Content of Localized Orientation

1. Program rationale, objectives, and policy framework;
2. Scope and coverage of GAS-TUKLAS;
3. Eligibility and prioritization of learners and teacher-coaches;
4. Eligible competitions and legitimacy requirements;
5. Assistance coverage, allowable costs, and applicable assistance ceilings;
6. Application, review, validation, endorsement, and approval processes;
7. Fund release, utilization, financial documentation, and accountability requirements;
8. Non-duplication of financial assistance;
9. Post-activity reporting and other compliance requirements;
10. Monitoring, evaluation, violations, and sanctions;
11. Roles and responsibilities of GASS, ROs, SDOs, schools, teacher-coaches, learners, and other concerned stakeholders; and
12. Official communication channels, technical assistance arrangements, and frequently asked questions.

GASS shall provide ROs with standardized presentation materials, IEC materials, FAQs, templates, and other available implementation tools. ROs may contextualize the presentation and delivery of these materials, provided that the substantive provisions of DepEd Memorandum No. 046, s. 2026 are not modified or interpreted inconsistently with the issued policy.

Allowable Activities

1. Regional, clustered, or SDO/School-level GAS-TUKLAS orientations;
2. Workshops or planning sessions directly related to the localized roll-out;
3. Orientation and technical assistance sessions for SDO and school focal persons;
4. School-level information and dissemination activities;
5. Reproduction and distribution of official GAS-TUKLAS materials;
6. Development or localized reproduction of IEC materials consistent with official GAS-TUKLAS messaging; and
7. Other directly related dissemination and implementation-readiness activities duly included in the approved Regional Roll-out Plan.

Allowable Expenses

1. Venue and activity requirements, when necessary and allowable;
2. Meals, snacks, board and lodging, when necessary and allowable considering the duration, location, and modality of the activity;
3. Supplies and materials necessary for orientation, workshops, planning, documentation, and related activities;
4. Printing, reproduction, and production of presentation handouts, forms, process guides, FAQs, posters, pub mats, and other official GAS-TUKLAS IEC materials;
5. Communication and dissemination requirements directly attributable to the localized roll-out, subject to applicable rules;

6. Documentation requirements necessary for the conduct and reporting of the activity; and
7. Other reasonable and necessary expenditures directly related to the approved localized orientation and roll-out, subject to existing rules and proper justification.

Where existing DepEd facilities, equipment, communication platforms, or other available government resources may reasonably be used, ROs and SDOs are encouraged to maximize such resources to ensure economical and prudent utilization of the PSF.

Non-Allowable Expenses

1. Financial assistance to individual GAS-TUKLAS learner or teacher-coach applicants or beneficiaries;
2. Registration, travel, accommodation, training, or competition-related expenses of GAS-TUKLAS applicants or beneficiaries, which are governed separately by DepEd Memorandum No. 046, s. 2026;
3. Salaries, honoraria, incentives, cash gifts, allowances, or other forms of additional compensation, unless expressly authorized under applicable rules and specifically approved for the activity;
4. Purchase of equipment, gadgets, furniture, or capital outlay not necessary or authorized for the localized roll-out;
5. Personal expenses of participants or implementing personnel;
6. Recreational, social, or leisure activities unrelated to the purpose of the orientation;
7. Expenses for activities unrelated to GAS-TUKLAS;
8. Expenses incurred without the necessary supporting documents;
9. Expenses incurred prior to the availability or receipt of the corresponding fund authority, unless otherwise expressly allowed under applicable government rules; and
10. Any expenditure prohibited under existing budgeting, accounting, procurement, and auditing rules and regulations.

Timing of Implementation and Availability of Funds

ROs are encouraged to commence planning, preparatory activities, and the conduct of localized roll-out activities immediately following the national orientation to ensure the timely dissemination and implementation of the GAS-TUKLAS Program.

Pending the downloading and receipt of the PSF through Sub Allotment Release Order (Sub-ARO), ROs may use available funds from appropriate and allowable funding sources to support the conduct of localized orientation and roll-out activities, provided that such utilization is authorized under the purpose and conditions of the funding source and is in accordance with existing budgeting, accounting, procurement, and auditing rules and regulations.

Any amount initially charged against available RO funds for this purpose shall not exceed the corresponding PSF allocation intended for the concerned activity or office. The use of available funds shall likewise be limited to the allowable activities and expenses prescribed under this Memorandum.

Upon receipt of the PSF, the treatment of expenditures previously charged against available RO or SDO funds, including any allowable adjustment, reclassification, or

other appropriate accounting treatment, shall be subject to applicable budgeting, accounting, and auditing rules and the guidance of the concerned finance offices. The subsequent downloading of PSF shall not, by itself, authorize reimbursement or replacement of expenditures that are otherwise ineligible, unsupported, or improperly incurred.

ROs and SDOs that do not have available funds may, in the meantime, undertake non-financial preparatory activities, including identification of target participants, determination of modality and schedule, coordination with SDOs and schools, preparation of materials, and organization of the regional or division implementation team, while awaiting the downloading of the PSF.

Regional Roll-out Plan

Each RO shall prepare a Regional GAS-TUKLAS Localized Roll-out Plan using the prescribed template in Annex B. The plan shall include the proposed schedule, participating SDOs and target schools or participants, modality, activities, responsible persons/offices, resource persons/facilitators, dissemination strategy, proposed PSF utilization, expected outputs, anticipated risks or issues, and technical assistance required from GASS, if any.

Technical Assistance Arrangement

GASS shall provide overall policy direction and technical assistance to ROs, including standardized materials, policy clarifications, planning consultations, and resource person support when schedules and operational requirements permit. ROs shall serve as the primary technical assistance provider for their respective SDOs, while SDOs shall provide the necessary guidance and implementation support to schools.

Questions that cannot be resolved at the regional level or that require national policy interpretation may be elevated to GASS for appropriate clarification. The general technical assistance flow shall be: GASS to RO to SDO to School.

Fund Management and Accountability

The concerned RO shall be responsible for the proper administration, utilization, documentation, and accounting of the PSF downloaded to the region. All expenditures shall be directly related to the approved purpose, necessary and reasonable, supported by appropriate documentation, within the amount downloaded, consistent with the Regional Roll-out Plan, and compliant with existing government budgeting, accounting, procurement, and auditing requirements.

Any unutilized balance shall be treated in accordance with applicable government financial management rules and instructions that may be subsequently issued by GASS and concerned Finance offices.

Reporting Requirements

Following completion of the localized orientation and roll-out, each RO shall submit to GASS a Regional GAS-TUKLAS Localized Roll-out Accomplishment Report using the prescribed template in Annex C. The report shall include activities conducted; dates and modalities; number and profile of participants; SDOs and schools reached; IEC and dissemination activities undertaken; major questions and implementation concerns

raised; good practices and lessons identified; status of PSF utilization; and recommendations or technical assistance requirements.

Relevant supporting documents, including attendance records, activity documentation, photographs where appropriate, and other prescribed records, shall be maintained by the concerned RO and made available for monitoring, validation, and audit purposes. A PSF Utilization Report using Annex D shall likewise be accomplished in accordance with applicable financial reporting requirements.

Monitoring

GASS shall monitor the conduct of localized orientation and roll-out activities as part of the overall monitoring and evaluation of the GAS-TUKLAS pilot implementation. ROs shall monitor localized activities within their respective regions, while SDOs shall monitor school-level dissemination and implementation readiness. Recurring questions, implementation concerns, good practices, and recommendations shall be consolidated and considered in the continuing implementation and policy refinement of GAS-TUKLAS.

For immediate dissemination and appropriate action.

ANNEX A

REGIONAL PROGRAM SUPPORT FUND ALLOCATION

Regional Office	No. of SDOs	PSF Allocation
National Capital Region (NCR)	16	P320,000.00
Cordillera Administrative Region (CAR)	8	P160,000.00
Negros Island Region (NIR)	22	P440,000.00
Region I: Ilocos Region	14	P280,000.00
Region II: Cagayan Valley	9	P180,000.00
Region III: Central Luzon	21	P420,000.00
Region IV-A: CALABARZON	25	P500,000.00
Region IV-B: MIMAROPA	7	P140,000.00
Region V: Bicol Region	13	P260,000.00
Region VI: Western Visayas	8	P160,000.00
Region VII: Central Visayas	12	P240,000.00
Region VIII: Eastern Visayas	13	P260,000.00
Region IX: Zamboanga Peninsula	8	P160,000.00
Region X: Northern Mindanao	14	P280,000.00
Region XI: Davao Region	11	P220,000.00
Region XII: SOCCSKSARGEN	8	P160,000.00
Region XIII: Caraga	12	P240,000.00
TOTAL	221	P4,420,000.00

Basis of allocation: P20,000.00 per SDO x 221 SDOs = P4,420,000.00.

Note: The P20,000.00 per SDO shall serve as the basis for determining the total allocation of each RO and shall not necessarily be construed as a mandatory fixed amount that must be sub-allotted or transferred individually to each SDO
