MEMORANDUM
No. 15, s. 2026

TO : ALL MEMBERS OF DISASTER RISK REDUCTION AND MANAGEMENT COUNCILS AT THE NATIONAL, REGIONAL, PROVINCIAL, CITY, MUNICIPAL LEVELS AND BARANGAY DISASTER RISK REDUCTION AND MANAGEMENT COMMITTEES, HEADS OF NATIONAL GOVERNMENT AGENCIES, CONSTITUTIONAL OFFICES, STATE UNIVERSITIES AND COLLEGES, GOVERNMENT- OWNED AND CONTROLLED CORPORATIONS

SUBJECT: CONDUCT OF THE CY 2026 QUARTERLY NATIONWIDE SIMULTANEOUS EARTHQUAKE DRILL

The Philippines is situated along the Pacific Ring of Fire, making it highly susceptible to frequent and destructive earthquakes and volcanic activity. This inherent geological risk necessitates the institutionalization of robust preparedness measures, a priority established following the devastating Yogyakarta, Indonesia earthquake in May 2006. This incident prompted then-President Gloria Macapagal Arroyo to direct the former NDCC to conduct a simultaneous drill, which eventually led to the quarterly conduct of the Nationwide Simultaneous Earthquake Drill (NSED).

The NSED is a cornerstone of the NDRRMC's initiatives under the leadership of the Office of Civil Defense (OCD) in partnership with the Philippine Institute of Volcanology and Seismology which aims to assess the nation's capacity to respond to earthquakes, particularly in ensuring public safety through well-organized evacuation and response procedures.

In view thereof, the schedule for the CY 2026 Quarterly NSED is hereby disseminated:

QUARTER	DATE/TIME	TIME
1st	12 March 2026	3:30 PM

3rd	10 September 2026	2:00 PM
4th	5* November 2026	9:00 AM

** In connection with the observance of the World Tsunami Awareness Day.*

The schedule of NSED may be adjusted in circumstances such as, but not limited to declared holidays, sudden cancellation of school classes or office work, or actual emergency and disaster incidents. Active participation of DRRMCs at all levels, other government agencies/entities including its regional and local offices are strongly encouraged. All schools, offices and other local activities are requested to be temporarily interrupted to give way for the scheduled conduct of the NSED. Respective activities shall resume afterwards.

All participating agencies are requested to submit their Participation Data, as well as After Activity Report and Improvement Plan thru the link/QR Code below (Deadline: 15 working days after the event).
